Charles Thorell, Pastor

We are a Bible centered group
of believers desiring to grow in
the full knowledge of Jesus
Christ without compromise to
His Word.

"If sinners will be damned, at
least let them leap to hell over
our bodies. And if they will
perish, let them perish with our
arms around their knees,
imploring them to stay. If hell
must be filled, at least let it be
filled in the teeth of our
exertions, and let not one go
there unwarned and unprayed
for."

THE CORNER

Dear Friends,

It's been a couple hectic months in the ministry and that is why you haven't received a newsletter lately. Even though there was some sickness, the workload never lets up, and with the weekly webcast that was started four months ago, there is even more work to do. Therefore, I am asking you to pray as we press on, that the Lord would send us more able bodied workers to fill the needs we have for web design, video production and editing, desktop publishing, research assistance and counseling. All of these tasks are currently being handled but help is still needed because of the heavy load. As we work each day I am reminded of Jesus' words, *"I know thy works...for thou hast a little strength, and hast kept my word, and hast not denied my name."* (Revelation 3:8) There are many hurting people in the world who are touched in some way by this ministry through the website, printed material, audio, video and in person. I personally didn't join the ministry to become rich and famous but to answer God's call on my life and continue doing the works of Jesus. Please uphold us in prayer, we value it greatly. There is much power that is manifested when believers fast and bombard heaven night and day with requests but also with praises.

"Now we exhort you, brethren, warn them that are unruly, comfort the feebleminded, support the weak, be patient toward all men. See that none render evil for evil unto any man; but ever follow that which is good, both among yourselves, and to all men. Rejoice evermore. Pray without ceasing. In every thing give thanks: for this is the will of God in Christ Jesus concerning you. Quench not the Spirit. Despise not prophesyings. Prove all things; hold fast that which is good. Abstain from all appearance of evil. And the very God of peace sanctify you wholly; and I pray God your whole spirit and soul and body be preserved blameless unto the coming of our Lord Jesus Christ. Faithful is he that calleth you, who also will do it. Brethren, pray for us." (1 Thessalonians 5:14-25)

Many of us take our health for granted, and when we get sick, we remember what it was to be in good health and are very appreciative afterwards. Pastor John said the following a number of years ago, "No Body – No Ministry." Essentially we can't do a thing if we are sick or removed from the earth by death. It is therefore important to take care of your body so that you can be productive for yourself and the Lord. We had a reminder of this in the last couple of months as people in the ministry have suffered from ailments like strokes, colds and even depression. We happen to be including an exhortation by Carole West on the importance of joy in our lives and what can happen if you lose it. I encourage you to read it and let it minister to your soul.

May God richly bless you today,

The Obama Election Charade

By John S. Torell

Most of you have been with us for many years and are well educated in world events, but some of you are newcomers, so let me give you a short background:

THE ANTICHRIST

The Bible tells us that in the end times before Jesus comes back; there will be a world leader sent by Satan, who will take control of the entire earth. His control will not only come from a strong military force but also by having total control of the global economy so that no one can buy or sell without being registered with his system. (Revelation chapter 13:1-18)

The Bible calls this the Mark of the Beast. The Bible also tells us that this Antichrist, also known as the Son of Perdition, will be of Jewish descent and a homosexual. (Daniel 11:36-39)

We also know that this world dictator will be tied to the nation of Israel and that he will rule from the rebuilt temple in Jerusalem. (2 Thessalonians 2:1-5)

We have also learned that the World Zionist Federation, together with the World Jewish Congress, have worked a long time to establish the political state of Israel, which they succeeded in doing in 1948. But the state of Israel cannot exist unless it is nurtured and militarily defended by the United States. Thus, every president since Woodrow Wilson (World War I) has been controlled by the American Jewish leadership.

JEWISH DAMAGE CONTROL

The Jewish World Government is well aware of its weakness in that there are only some 13 million Jews in a world of 6 billion people, and if the non-Jewish population found out what is going on, the Jewish World Government would collapse.

Therefore they have a very powerful group of people who do nothing but defend Jewish interests and try to convince the Gentiles that Jews are not working as a group to bring about a World Government. **David Frum** is a Canadian Jew and such a person. Born in 1960, he was a speech writer for George W. Bush, a resident fellow at the American Enterprise Institute and the editor of the political website, NewMajority.com. In the American Jewish publication, "Moment," he wrote the following:

"During the Bush years, we heard a lot about the sinister influence of powerful Jews. Paul Wolfowitz, Scooter Libby, Douglas Feith, Richard Perle: These were the men who supposedly led America to war.

"There was always one flaw in the theory: none of these men held a top job..."

"Bill Clinton had a secretary of state who was born Jewish. Not Bush. Two of Clinton's three secretaries of the Treasury were Jewish. Not one of Bush's. Under Clinton, Jews (by birth or conversion) held the jobs of director of central intelligence, national security advisor and White House counsel. Under Bush; nope, no, nada, zilch.

"I'm not complaining! Jews tilt Democratic, and so it is not surprising that a Democratic president would have more Jews on his team than a Republican..."

"Now the Democrats have returned to power, and again Jews are receiving senior appointments: White House chief of staff, director of the National Economic Council and more to come..."

"Such charges intimidate many Jews in high office-which may explain why it has so often been non-Jews at decisive moments since 1945. It was Richard Nixon, not Henry Kissinger (German Jew), who pushed through the emergency airlift that turned the tide of war in October 1973; Ronald Reagan who pressed the Soviets to release Natan Sharansky (Russian Jew); the elder George Bush who adopted the Falasha (Jews) of Ethiopia as a personal cause..."

"Does any other group in American society feel such strong inhibition about speaking for itself? Surely not, and for good reason..."

"In a city full of lobbies from everything from Albania to zirconium, it is the Jews who are damned as 'the lobb...'

"America has just elected a president with less emotional connection to Israel than any holder of that office since perhaps Dwight Eisenhower. Yet there will be more Jews in higher positions in these next four years than ever in the past eight. For those for whom Jews are always targets, the operating environment is about to become much more target-rich."¹

¹ MOMENT, January/February 2009, p.14

THE JEWS NEVER CHANGE

Very seldom do we find a political Jewish leader who will lead out and make decisions. Instead, we find that they are more comfortable in the background controlling Gentile political leaders who will do the dirty work for them. A prime example is found in the death of Jesus Christ. It was the Jewish leadership that called for the crucifixion of Jesus, but they pushed the Gentile Roman governor in Jerusalem to issue the official death order, and it was Gentile Roman soldiers who executed Jesus. (Matthew 26:47-75; 27:1-37)

JEWS AND THE AMERICAN NEGROES

The Devil is a clever warrior and one of his best tactics is to divide and conquer. It should therefore not come as a surprise that his followers use the same tactics. In the same issue of "Moment," the main article title was "JEWS AND BLACKS IN AMERICA." The subheading read: "*Jews and blacks forged a political alliance in the early 20th century that led to the civil rights movement. This historic bond broke apart in the late 1960's. Barack Obama's election as president has brought us full circle.*"²

As I have pointed out in other newsletters, Jewish leadership has invested time and money into organizations over the years that might be their nemesis, or an organization that does not necessarily have any value for the Zionist World Federation, but it will weaken other organizations or nations who are standing in the way of their goals. By looking at these events dating back almost one hundred years, we can see the unseen hands directing the shape of history on the earth.

NAACP

The NAACP is an organization for black Americans and every student in public schools for the last 30 years has learned about the "National Association for the Advancement of Colored People." But what is not known to most people is that this organization was founded by American Jews, not black people.

In 1909, a conference was held at the Henry Street Settlement House in New York at a house owned by Lillian Wald, an American Jewess. The name of the conference was "The National Negro Committee Conference." Among the people who attended was Professor W.E.B. Du Bois, a black American, together with Emil Hirsch, a Reform rabbi from Chicago.

At this time there were few black Americans educated and equipped to lead a national political movement so the leadership was held by American Jews, like Henry Moskowitz, a New York civil rights activist, Rabbi Stephen Wise, a New

York reform rabbi and founder of the American Jewish Congress. American blacks were not affluent and the financing primarily came from heavy Jewish hitters like Lillian Wald, Jacob Billikopf, Herbert Lehman, Arthur and Joel Spingarn and the powerful Jewish banker, Jacob Schiff.

Lillian Wald

W.E.B. Du Bois

Emil Hirsch

Stephen Wise

These American Jews also had a heavy hand with the "National Urban League." One of the Spingarn brothers became the president of the NAACP in 1914.

Julius Rosenwald (1862-1932), an American Jew who had become president of Sears, Roebuck & Co. in 1909 was a very successful businessman from Chicago and became a huge supporter of black education. He made large contributions to black schools like Howard University, Dillard University and the Tuskegee Institute. He also helped build up the YMCA for blacks in inner cities and helped to set up the United Negro College Fund. He also started the "Rosenwald Fellowship," a fund to support black artists. Rabbi Emil Hirsch was Rosenwald's spiritual advisor.

PUSHING FOR BLACK EDUCATION

During the 1930's a number of German Jewish professors were able to escape from Germany and took jobs in black colleges. Esther Swirk Brown, an American Jewess from Merriam, Kansas, organized a legal team to challenge the exclusion of black students from South Park Elementary School in a case known as Webb v. School District 90. The case went to the Kansas Supreme Court and the school was desegregated in 1949.

Rabbi Stephen Wise's daughter, Justine Polier, became the first female judge in New York and worked hard to desegregate schools in that city.

BROWN v. BOARD OF EDUCATION OF TOPEKA

This was the court case that put a stop once and for all to segregated public schools in the United States. On May 17, 1954, the U.S. Supreme Court ruled that racial segregation in public schools violated the 14th Amendment of the Constitution. Arguing the case before the Supreme Court was Thurgood Marshall, a black American attorney and Jack Greenberg, an American Jewish attorney. Marshall was the legal counsel of the NAACP from 1940-1967 when he was

² MOMENT, January/February 2009, p.34

appointed to the U.S. Supreme Court. Greenberg then became the legal counsel for the NAACP and served in that capacity until 1984.

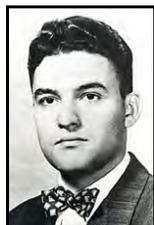

Desegregation did not really take off in the South until 1957, when Governor Orval E. Faubus ordered the state militia to prevent blacks from entering Central High School in Little Rock, Arkansas. President Eisenhower sent soldiers from the 82nd Airborne Division to remove the state militia and secure access for nine black students.

THE SNCC

The SNCC was created by American Jews and marketed as a black organization. The full name was “Student Nonviolent Coordinating Committee.” This was a very active group in the 1960’s and among their projects was “Freedom Rides” in which whites (Jews) and blacks rode on buses in the South to challenge local segregation laws and customs; between one third to one half of the whites traveling in the South were American Jews. According to “Moment,” 75% of the funds for the SNCC and other similar organizations came from American Jewish sources.³

During the summer of 1964, the SNCC was very active in the South registration drive for new black voters. It was during this drive that three young men were arrested for speeding in the state of Mississippi and murdered. One of the arresting officers was a Klu Klux Klan member. I remember reading about it in the papers when their bodies were found five weeks later and the outrage all over America that followed. A key ingredient left out in the story was that two of the young white men were Jewish.

Without American Jewish manpower and money there would not have been a black civil rights movement. Which leads me to this question: why did the American Jewish secular and rabbinic leadership go out of their way to help the black Americans? This question was answered by a younger generation of blacks whose names have become household names in the United States.

THE RADICAL BLACK LEADERS

Young black men in the mid 1960’s became fed up with the civil rights movement led by Martin Luther King and the American Jews. The consensus was that changing the system through non-violent methods was not working. They also started to question the motive behind white Jews pushing so hard for equal rights for the American black people since the Jews didn’t show any interest in taking up the cause of the Native American Indians, Mexican immigrants or other minority groups in the United States. Let’s look briefly at some of these young black leaders.

STOKELY CARMICHAEL

Stokely Carmichael was born in 1941 in the Caribbean nation of Trinidad and came to the U.S. in 1952. He attended high school in the Bronx (New York) and enrolled in the black Howard University in 1960. In 1961 he joined the SNCC. He was also a “freedom rider” and was arrested in Jackson, Mississippi where he spent 50 days in jail. Upon his graduation from Howard in 1964, he worked full-time in the SNCC as a paid employee and by 1966 had become the chairman of that organization.

During his tenure as chairman, he began to advocate self-defense tactics, self-determination, political and economic power and racial pride. He left the SNCC in 1968 and started to travel overseas, denouncing the United States’ involvement in Vietnam and the suppression of blacks by whites.

When he returned to the United States, he was arrested and incarcerated for 10 months. He was released in 1969 and left the U.S. and settled in the African nation of Guinea. He took part in organizing a revolutionary political party called “All-African People’s Revolutionary Party.” Stokely died in 1998.

THE BLACK PANTHER PARTY

This radical violent party was founded in 1966 in Oakland, California, by three black men, Huey Newton, (1942-1989), Bobby Seale (1936), and Eldridge Cleaver (1935-1998), who became the “minister of information” for the party.

Eldridge Cleaver

³ MOMENT, January/February 2009, p.41

Newton and Seale attended Merritt College in Oakland and were both influenced by Malcolm X. They decided it was time to abandon the civil rights movement and use force to break the white man's power in the United States. Cleaver was an inmate of several correctional institutions in California from his junior high school days.

In the late 1960's the party had some 2,000 black Americans as members with chapters in several major cities of the United States. In 1968, the party went violent and there were shoot-outs with the police in California, New York and Chicago. As a result, Newton was sent to prison together with Seale. While Cleaver was out on bail during his trial in 1968, he decided to flee and ended up first in Cuba and later in Algeria.

AMERICAN BLACK MUSLIMS

It has been said that "truth is stranger than fiction" and just like the NAACP was founded by white American Jews, the founder of the Black Muslim movement in the United States was founded by a white immigrant from Mecca, Saudi Arabia, **Wallace D. Fard**. He was born in Mecca around 1877 and immigrated to the United States sometime before 1930.

As soon as he arrived in America, he made his home in Detroit, Michigan, and founded the Temple of Islam as well as the University of Islam. He also developed a military style militia called, "The Fruit of Islam," a corps of male black guards. He called his movement the "Nation of Islam."

The reader must now realize that all this took place at the beginning of the Great Depression, so who paid for it? We don't know.

Fard's message was that the black Americans must prepare for a race war against the whites and that Christianity was a religion of the slave owners. Only blacks were invited to convert to Fard's version of Islam. Once a black American converted to this new religion, he was given an Arabic name and told to drop his birth name.

One of his converts was **Elijah Poole** (1897-1975) from Georgia, who had moved to Detroit in 1923. Poole was a converted Black Muslim and became assistant minister to Fard.

Four years after founding his Islamic sect, Fard vanished in 1934 without a trace and Poole never explained what happened. By then he dropped his last name and taken the name "Muhammad." He also gave himself the title "Minister of Islam" and took charge of the temple in Detroit. But for some reason other members in the temple

didn't like Poole, who left the city and moved to Chicago where he started a second temple. Who paid for this move?

Membership in the Chicago temple grew, and when the United States entered World War II in 1941, Elijah told his followers to refuse to be drafted. As a result he was charged with violating the Selective Service Act and was sent to federal prison from 1942 to 1946.

The goal of the Nation of Islam was in opposition to the Jewish led NAACP. Elijah preached the need to establish a separate nation for black Americans, the adoption of a religion based on the worship of Allah and the belief that black people are God's chosen people.

One of the well-known members in the Chicago temple was **Malcolm Little** (1925-1965), who later took the name Malcolm X. He was born in Lansing, Michigan; as a child he saw the house his family lived in burned down by the Ku Klux Klan. Two years after this event, his father was murdered and his mother broke down and ended up in a mental institution. After living in a number of detention homes, Malcolm moved to Boston to live with his sister. While in prison in 1946, he converted to the American brand of Islam. Upon his release from prison in 1952, he moved to Chicago and joined the second temple under Poole.

Poole recognized the talent in Malcolm and sent him on speaking tours around the U.S. where he founded many new temples (mosques).

In 1961, Malcolm founded the official publication of the Nation of Islam called "Muhammad Speaks." Some time later he was assigned to be the minister of Temple Number Seven in New York City's Harlem area.

Malcolm became a bitter opponent to the NAACP and the entire civil rights movement; he rejected integration and racial equality. Instead, he forcefully spoke on black separatism, black pride and black self-dependency. He advocated violence to gain these goals. Malcolm X became a dangerous opponent to the Jewish led NAACP.

In 1964, he traveled as a pilgrim to Mecca and for some reason he changed his views and declared that he no longer believed that whites were all evil and instead talked about a universal brotherhood under the umbrella of Islam. He went public that he had converted to the Sunni version of Islam and abandoned the black version of Islam. On February 21, 1965, Malcolm X was gunned down at a rally in Harlem and three Black Muslims were later convicted of his murder.

When Elijah Poole died in 1975 in Chicago, his son W. Deen Muhammad succeeded as the Principal Imam of the Nation of Islam, which at this time had a membership of some 50,000 men (women do not count). Deen tried to steer his organization toward a more orthodox type of Islam and this is

when **Louis Farrakhan** (1933) broke away and founded his own group. It was Farrakhan who had led the attack on Malcolm X and ordered his execution.

Farrakhan stated that he was faithful to the original vision of Fard and Poole and that his splinter group was the true Islamic faith for black Americans. (Compare this to the split in the Mormon Church, when Brigham Young broke away from the family run Mormon Church, and the family of Joseph Smith went south and founded the Re-Organized Mormon Church, while Young went west and founded his Mormon Church in Salt Lake City.)

Farrakhan preached the inherent wickedness of white people, particularly Jews. Even though he advocated that black Americans should be separate and not participate in the political election process, he changed his mind in 1983 about voting and encouraged all his members to vote. Rev. **Jesse Jackson** (1941) was running for the White House and Farrakhan used his entire organization to push Jackson.

Farrakhan and Jackson made for strange bed-fellows. Jackson was born in South Carolina and eventually ended up in Chicago where he attended Chicago Theological Seminary and was ordained a Baptist minister in 1968. He became involved in the civil rights movement and marched with Martin Luther King Jr. in Selma, Alabama in 1965. Jackson also became a worker in King's Southern Christian Leadership Conference (SCLC).

Jackson helped King in 1966 to found the Chicago branch of "Operation Breadbasket," the economic arm of the SCLC and became its director. In 1971 he was accused by people in the organization of using it for personal gain and resigned. He then formed his own organization called "People United to Save Humanity" (PUSH). This was a Chicago based organization in which he advocated black self-help.

What few people don't know is that Jackson is a slick operator and uses PUSH to contact white business owners and large corporations and demand a donation. If they don't get the donation, they threaten to label the business owner or corporation as "racist" and organize a boycott against them. Most businessmen and corporations would rather pay the extortion money than face problems with Jackson and his well organized group.

Jackson then founded the "National Rainbow Coalition" in 1984, which sought equal rights for African Americans, women and homosexuals. Jackson merged these two organizations in 1996 and called it "Rainbow/PUSH Coalition."

Jackson is a card carrying member of the Democratic Party and involved in the civil rights movement. Up until this time, Jesse Jackson was in the Jewish corner.

JACKSON TURNS ON THE AMERICAN JEWS

Jackson and Farrakhan must have met and discussed the situation of Jews meddling in the affairs of black people. Here was a renegade Muslim teaming up with a Baptist preacher, hoping to outsmart the American Jewish leadership. Here is what "Moment" said about it:

*"By the 1970's, many black political leaders had come to see their struggle as part and parcel of a world wide uprising of the oppressed. Jews, in their views, were part of the problem, not the solution. In 1984, then presidential candidate Jesse Jackson referred to New York as 'hymietown,' and Louis Farrakhan of the Nation of Islam made waves by claiming that Jews were manipulating blacks."*⁴

Jackson's remark about the Jews in New York created a firestorm among the Jews and the American media was turned loose on Jackson to put him in place. He realized in no time at all that he had underestimated the American Jewish leadership and quickly "crept to the cross" and publicly asked for forgiveness, and at the same time he publicly renounced Farrakhan.

In return, Jackson was received back into the good graces of the Democratic Party and was able to come in as number three in the primary election. In 1988 he came back for a second bid to become president of the United States and this time he ended up as number two.

THE AMERICAN JEWISH LEADERS CALL FOR A BLACK PRESIDENT

It is a well known fact that the white American elite are not fond of Jews. One example is the private club in Florida, which came to light in the **Bernard Madoff** scandal. Madoff was a member of the Palm Beach Country Club, an exclusive Jewish club on the north end of the island North Lake Way. The Palm Beach Country Club is the ultimate symbol of the Jewish ascendancy.

Unlike the WASP (White Anglo Saxon People) clubs, it was mandatory to make major charitable contribution in order to

⁴ MOMENT, January/February 2009, page 45

join. Until 1965, Jews were not even allowed to enter the Breakers Hotel in Florida. The WASP elite in the United States depend on the Jewish bankers and other power brokers for their livelihood, but when it comes to social life, Jews were discriminated and frowned upon.

Pushing a black American to become president of the United States was the ultimate revenge for the Jewish leaders in the United States and Jesse Jackson was a trial balloon. The lesson learned was the black man must be well educated and groomed and not have any skeletons in his closet like Jesse Jackson. The man chosen was Barack Hussein Obama.

In order not to give the American people any suspicion that the election would be rigged, the final two candidates both had Jewish support.

THE 2008 PRESIDENTIAL ELECTION

As I look back in retrospect, I believe that the World Government pulled out all the stops and every possible Jewish pressure was applied to make sure that Obama was elected president. To support this statement, let me share a few tidbits of how Jewish power has worked in the politics of the United States:

“Hillary Can Finish What She Started” read the headline in the major American Jewish weekly periodical, *“Forward.”*

“The way then-president Bill Clinton told it, Edgar Bronfman had ‘button-holed’ Hillary. The president speaking at a World Jewish Congress (WJC) gala at Manhattan’s Pierre Hotel in September 2000, was referring to a meeting in April between Bronfman and first lady Hillary Rodham Clinton.

*“The WJC president had ‘buttonholed’ the first lady at a fundraiser in order to seek her intercession in bringing the power of the Clinton administration to bear on assisting with the recovery of dormant Swiss bank accounts that had belonged to victims of the Nazis...”*⁵

“From shortly thereafter until his last days in office, the Clinton administration was deeply engaged in the effort to recover Jewish bank accounts, artworks, communal properties, insurance policies and other assets that had been confiscated or lost in Europe during the Nazi and communist eras.

*“Years later, we have come full circle. The former first lady is now President Obama’s secretary of state, and Hillary Clinton is once again in the position to assert American leadership on behalf of the victims of Nazism...”*⁵

⁵ FORWARD, February 13, 2009, p.7

SPECIAL JEWISH AMERICAN MEDIA

Most non-Jewish people living in the United States are not even aware that the large Jewish communities in America (approx. 3 million) have their own newspapers, periodicals, kosher stores, restaurants, entertainers, etc. American Jews for the most part are trying not to let it be known that they are Jews, and when the regular press and media talk about Jewish people, they seldom publish their religious background. This is done on purpose because they do not want Gentiles knowing that they are working as a cohesive group with specific goals which only benefit themselves.

Some 25 years ago I was educated in this subject and as a result I am constantly reading Jewish news publications in order to be informed. Let me now share this information with you:

“Jewish Groups Talk Up Domestic Concerns With Obama Team,” was a headline in the newspaper *Forward.*⁶ Follow along with me as we glean information from the article:

OBAMA AND MCCAIN

As I have written in previous articles published in our newsletter, both candidates were backed by Jews. It was really a “horse race” in which both horses were controlled by two Jewish groups but promoted to the public as two independent candidates from different political parties.

The Jewish group controlling Barack Obama had several Jews working in different roles. The finances were backed by **George Soros**, a Hungarian born Jew, who has been living in the United States for many years and is known by national governments as a “terror” to national currencies. If you do a research on this multi-billionaire, you will find that a number of nations had their economy crashed, due to his currency speculation. Two nations that have suffered greatly by this man were England and Sweden.

TWO POWER TEAMS IN THE DEMOCRATIC PARTY

There have been two rival factions within the Democratic Party for the last eighteen years; the old timer Kennedy family and the Clinton family. Both families each have their own Jewish supporters (handlers), and in this last election, some of the American Jews supporting the Clintons switched sides and supported Barack Obama in his run against Hillary Clinton. David Axelrod, an American Jew, was a handler for Hillary Clinton, but she didn’t know that a group of American Jews had been grooming a brand new candidate for the last 16

⁶ FORWARD, January 2, 2009, p.5

years. Obama was pushed out to the forefront in 2008 to the astonishment of many people. Both Ted Kennedy and Oprah Winfrey came out during the primary election and endorsed Obama. I'm sure you can remember the mudslinging between Hillary and Barack, and how Hillary stated that he had no experience and was therefore not qualified to be president. Despite the so-called "reconciliation" during the democratic convention, the Clintons did very little campaigning for Obama in his run against John McCain.

John McCain

Hillary Clinton

David Axelrod

Barack Obama

Other heavy hitting American Jews supporting the Obama campaign were Dennis Ross, Dan Kurtzer, Zbigniew Brzezinski, Tony McPeak, Susan Rice and Martin Indyk.

OBAMA'S CHIEF HANDLER

Obama was selected more than 16 years ago to be groomed for the presidential role. Since this write up is very limited to space, I cannot go into great details. But what I have found out is very troubling. It was during the 1992 voter-registration drive in Chicago, coordinated by Obama, that he was selected by the American Jewess **Bettylu Saltzman** (maiden name Klutznick). She acted as an agent for the Jewish political group in the Democratic Party, which was looking for future candidates to run for political offices, and directed David Axelrod to start grooming this up-and-coming 30 year old attorney.

Bettylu's father was **Phillip Morris Klutznick**, who served as U.S. Secretary of Commerce from 1980-1981 under Jimmy Carter. Klutznick became very rich through his company, American Community Builders, and Bettylu inherited a portion of his estate. He was a major leader in the American Jewish community, and as a young man, served as the president of the B'nai B'rith Youth Organization (Jewish masonry) and in later years he was the president of the B'nai B'rith. He also served a short time as president of the World Jewish Congress.

The Klutznick family firmly believes in the Zionist dream of Israel and Bettylu is no exception. David Axelrod owns a consulting company, which has been used to groom and run campaigns for various Democratic candidates; unsurprisingly,

most of his candidates won in the elections. He is the brain behind Obama and the writer of his speeches; his company designs the advertisements and he is the one that told Obama what the issues and policies were, what to promise people and how to dress. Thus, Barack Obama is just like a movie actor; he was given a script, told where to go, how to dress and what to tell reporters at the press conferences. America in reality elected David Axelrod to be the next president since Obama will be implementing the policies of his handlers; Obama doesn't have a free will and will be given an itinerary each morning of what to do, what to say and who he is going to meet. Axelrod is now senior adviser in the White House.

Another powerful American Jew, **Abner Mikva**, is a former congressman from Chicago, federal judge and White House counsel to Bill Clinton. He befriended Obama in 1990 and unsuccessfully tried to recruit Obama for a clerkship at the U.S. Court of Appeals. After the election, Mikva has dubbed Obama "*as the first Jewish president.*"

In Obama's run for the Senate in 2004 it was David Axelrod that ran his campaign to fill outgoing Republican Peter Fitzgerald's Senate seat. Money for the campaign came largely from the American Jewess **Penny Pritzker**, heiress to the Hyatt Hotel fortune and founder of the Hyatt retirement communities and CEO of Pritzker Realty Group. During the 2008 presidential campaign, Pritzker became the national finance chairwoman of the Obama campaign. According to the Forbes' list of the richest Americans, Penny Pritzker is ranked 135th with an estimated net worth of \$2.8 billion.

JEWISH BILLIONAIRES RALLIED AROUND OBAMA

As I dug into the financial backing of Obama from American Jews I was shocked to learn that so many of them were bankrolling Obama. Space does not permit me to list every one but it could be the subject of a doctorate dissertation for someone. Let me list one more powerful American Jewish family funding the Obama presidential campaign, the Crown family.

THE CROWN FAMILY

This Crown family came to the United States in the mid 1800's from Lithuania. The family name was Krinsky but was later changed to Crown. One of the sons, Henry (1886-1990) started a company called "Material Services" which later merged with the defense contractor corporation, "General Dynamics." In 1959, Henry founded the private investment company "Henry Crown & Company," to hold together all of

the corporations the family either owned or in which they had a controlling interest.

Lester Crown (1926) became the CEO as Henry groomed him to take over the family business. In 1958, Lester's daughter Susan was born and with her brother James (Jim), they have been groomed to succeed Lester.

Susan Crown

James Crown

Looking at the Crown family holdings is like looking at some of the major businesses in the United States. Here are just a few examples: The Chicago Bulls, New York Yankees, Aspen Skiing Company, Chase, General Dynamics (defense contractor), the Maytag Corporation, now owned by Whirlpool, and real estate holdings like Rockefeller Center.

The Crown family went all out for Obama, and with deep pockets and powerful financial and political connections, this Jewish Chicago family did all they could to get Obama elected. According to Forbes, the personal wealth of the Crown family is worth more than 4.8 billion dollars.

WHY DID WEALTHY FAMILIES BACK OBAMA?

The answer to this question is found in the Jewish weekly newspaper, "Forward." This is what Nathan Guttman wrote in an article entitled, "Jewish Groups Talk Up Domestic Concerns With Obama Team."

"After years of concentrating on foreign policy issues, American Jewish groups are looking to return to their historic focus on domestic policy when lobbying the new administration.

"A December 18 meeting in Washington, between representatives of 29 Jewish groups and the incoming Obama administration's transition team, made the shift visible, as the Jewish groups presented an agenda divided evenly among concerns regarding Israel's security, with an attempt to make the community's voice heard on issues relating to the economy and social services.

"...From the right came groups as hawkish as the Zionist Organization of America and the Jewish Institute for National Security Affairs; from the left, the new dovish group, J Street and Brit Tzedek v'Shalom, a-roots peace organization. This was a sight not seen during the current administration..."⁷

⁷ Ibid, January 2, 2009, p.5

Nathan Guttman in the same issue of "Forward," informs the readers that the time of the neocons are over and that they have been relegated to think tanks.⁸ This is the Jewish group that set the foreign policy for George W. Bush:

- Douglas Feith served in the Pentagon as under Secretary of Defense for policy.
- Paul Wolfowitz was Deputy Secretary of Defense.
- Lewis "Scooter" Libby was Vice-President Cheney's chief of staff and national security adviser.
- Richard Perle was former member of the Pentagon's advisory board
- Elliott Abrams sat on the National Security Council from 2001-2009.

Wealthy Jewish families backed Obama because they were told by the World Government to do so. There is a shift coming and America will be destroyed from within and that will take a man who is totally in the hands of the Jewish World Government.

As of this writing we are now into the second month of Obama's illegal presidency and every moral stop that was put in place during the Bush presidency has been reversed. Abortion, stem cell research, homosexual issues, national health care, etc. have all been or are in the process of being changed.

All of the wealthy Jewish families in America know that their wealth can only be kept if they "toe the line" of the political agenda that is dictated to them.

This might lead you to ask if they are Obama's friends, why did he propose to raise taxes on the rich? The answer is simple; the super rich Jewish families do not pay taxes just like some of the other rich families like the Kennedy's do not pay taxes. Their wealth is kept by tax free foundations. These

⁸ Ibid, January, 2, 2009, p.1

foundations furnish them with free housing, transportation, clothing, meals, etc. and thus this is how the rich people live.

There is also a middle class of rich people who are professionals or businessmen and making good money but cannot afford to have foundations. It is these people who will have their taxes raised. Since most of the middle class rich people are not democrats, it doesn't matter to the World Government since these are people they want to exploit and destroy. Why? Because they are the people who create jobs for people in America and right now the goal is to put as many Americans out of work as possible.

WHO BUILT THE CAMPAIGN MACHINE?

David Plouffe is a partner with David Axelrod and is known in the Democratic Party as a wizard for building successful campaign organizations that will devastate opponents and streamline the daily work. He focused on adding delegates in the primary election, not states, and was able to outsmart Clinton's handlers. He did the same thing in the campaign against McCain and focused on certain states with large electoral votes.

RAHM EMANUEL

When Obama announced that **Rahm Emanuel** would be the White House Chief of staff, the average American had no idea who this man is or what he stands for. Rahm was born in the city of Chicago in 1959. His father, Benjamin M. Emanuel, was a pediatrician. Benjamin was born in Jerusalem; he was a member of the Irgun, the military wing of the Zionists, who fought the British in Palestine as a terror group from 1931 until 1948, when it became part of the Israeli army. It is alleged that Benjamin worked for the Mossad (Israeli Intelligence Service) once he moved to the United States. The Mossad only operates a few full-time field intelligence officers (katsa) in the United States but they have access to all local Jews (sayanim) living here since their loyalty is to Israel, not the nation in which they live or hold citizenship. This is why the Mossad is able to operate with so few case officers.

As a youngster, Rahm and his brothers attended summer camps in Israel, which are held for the purpose of bonding young Jewish people with Israel and instilling in them loyalty to the political state of Israel. It doesn't matter where they live or what nation they were born in, they are Jews first and foremost. In 1980, a 21 year old Rahm successfully worked in the campaign to unseat the pro-Palestinian congressman, Paul Findley from Illinois. Despite his young age, he was made Finance Director for David Robinson, an American Jew,

directing millions of dollars from wealthy Jewish donors into the campaign.

Rahm Emanuel graduated from Sarah Lawrence College in 1981, and enrolled at Northwestern University, where he graduated in 1985 with a master's degree in speech and communication. During the 1992 presidential primary campaign, he worked for Bill Clinton and used his network into the Jewish community to raise \$72 million, which at that time was considered a large amount of money to be spent on a primary race. When Bill Clinton won the general election in the fall, Emanuel was brought on as the Assistant to the President for Political Affairs and later promoted to Senior Advisor to the President for Policy and Strategy. He served in the White House from 1993 through 1998.

He resigned from the White House in 1998 and went to work as an investment banker at Wasserstein Perella even though he had no education in banking. This came about from an invitation by Bruce Wasserstein, an American Jew who had been the chief fundraiser for Bill Clinton among the Wall Street bankers. Emanuel was promoted in 1999 to be the managing director at the firm's Chicago office, where he worked until 2002. According to congressional records, he made \$16.5 million during his two and a half years as an investment banker.

During his time as an investment banker Rahm Emanuel was appointed as a member of the Board of Directors for the Federal Home Loan Mortgage Corporation (Freddie Mac) in 2000. The first year of serving on the board, he was compensated \$31,060, and in 2001 he received \$231,655 in compensation. Freddie Mac was plagued with scandals during those years involving campaign contributions and accounting irregularities but the investigation was squashed. We now know about the financial collapse of Freddie Mac earlier this year and the federal bailout.

Rahm Emanuel decided to run for a seat in Congress in 2001 and resigned from Freddie Mac. During a hard fought campaign, his opponent charged him with holding citizenship here in the United States and in Israel. He was also accused of having served in the Israeli Army during the 1991 Gulf War. According to Rahm's political organization, he relinquished his Israeli citizenship when he turned 18 years old and only served a short time as a civilian volunteer assisting the Israeli Defense Forces (IDF) in northern Israel. Emanuel won the election and has served as a Congressman from the 5th District of Illinois since 2003. During his years in Congress he has become a powerful leader among the Democrats.

SERIOUS ALLEGATIONS

While Rahm Emanuel was working at the White House during the Clinton years, former FBI counter-terrorism Assistant Director, John O'Neill, claimed that he had been recruited by the Mossad and was passing on sensitive material to the Israeli government. This accusation caused a strong reaction from the Jewish lobby and O'Neill was forced to retire from the FBI and told to be silent.

Given the fact that the Israeli Mossad has placed high ranking Jews in the American government as moles, (i.e. Jonathan Pollard & Monica Lewinsky), it is very probable that Emanuel was recruited by the Mossad and a security risk to the United States. His father was a strong Zionist and Rahm has shown his devotion to Israel over the years. If this turns out to be true, it will be a huge victory for the Mossad, having an agent in the White House that will direct the day-to-day operations. Emanuel will have access to the daily security briefing papers and screen who Barack Obama will meet and what he will say. He will be able to direct events in such a way that will be beneficial to Israel but not necessarily for the United States.

ANOTHER JEWISH ADVISOR AND POSSIBLE CABINET MINISTER

Robert Rubin is an American Jew and the director of Citigroup. He is a member of Obama's transition Economic Advisory Board and served as Treasury Secretary from 1995 through 1999 under Bill Clinton. He was the architect of deregulations in the banking industry and pressed for legislation that passed in 1999 and set the stage for the financial meltdown that took place in 2008.

AFTER THE ELECTION

According to "Moment," 78% of the American Jewish voters voted for Obama.⁹ There are now more Jews than ever in the American government. Here are just a few of the names:

- Lawrence Summers, head of the National Economic Council
- Paul Volcher, Obama's finance team

- Peter Orszag, Director of the Office of Management and Budget
- David Axelrod, senior adviser in the White House

To my knowledge there are no strong born again Christians on the Obama team. Instead they are all supporters of abortion and homosexuality. They don't speak on morality or the fact that the United States was founded on Christian principles. Our nation is now in the hands of men and women who have no regard for the God of Abraham, Isaac and Jacob; they despise the Son of God and scoff at the mention of the Holy Spirit. They deny that there is a literal Hell, the Bible is the Word of God, and that only through Jesus Christ is there salvation for a human being. **America is now in the hands of the servants of the Antichrist!** If there ever has been a time, now is the time to pray, fast and seek God.

IS THERE ANY HOPE FOR AMERICA?

God is in control of all things and He has allowed the current leadership to be elected. This is a judgment allowing the wicked to be put in power when God's people have sinned and refused to repent. If you look upon the people of America and the rest of the Western world, there is no doubt that after 1945 we have had the greatest time of prosperity that any generation on this earth has ever seen or experienced. How did we use our blessings? We spent them on more and more luxuries and most people wasted their lives. God does not look kindly when a nation spends billions on pet food but a pitiful sum for mission work. Our women have spent billions of dollars on clothing, cosmetics, nail sets, etc. while the men spent billions of dollars on sports, fancy cars, gambling, prostitutes, pornography, alcohol and drugs.

God is humbling people in America and in Western Europe but the tragedy is that the unsaved people don't know this because most pastors won't speak the truth. Only the people who are born again in Christ can understand this if their pastors preach the truth.

One thing is for sure; our standard of living is going down and will stay down until God says differently. We have now come to the place that we need to be thankful if we have a job, a place to live and food to eat. God has told us what to do and we would do well to heed this Word from the Lord!

⁹ MOMENT, January/February 2009, p.48

“And the LORD appeared to Solomon by night, and said unto him, I have heard thy prayer, and have chosen this place to myself for an house of sacrifice.

If I shut up heaven that there be no rain, or if I command the locusts to devour the land, or if I send pestilence among my people;

If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and

turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land.

Now mine eyes shall be open, and mine ears attent unto the prayer that is made in this place.” (2 Chronicles 7:12-15)

What are you going to do?

The Joy of the Lord

By Carole West

This exhortation was spoken during the testimony time at Resurrection Life of Jesus Church on March 15, 2009:

This is a meditation the Holy Spirit gave to me when we were singing the song, "The Joy of the Lord is My Strength." The word came to me that we are to guard our joy, because if we don't have the joy of the Lord, we don't have the strength. What do we need strength for? We need it to resist temptation.

So what if you're tempted to be afraid? Fear is really big under certain situations and at other times you think you don't have any fear. But things can happen to any of us and fear can come in. You need that strength to resist fear. And other times discouragement comes where you want to give up and throw in the towel. What's the use to fight? But the Lord wants you to be strong in the inner man.

So where are you going to get this strength? You get it from joy; the joy of the Lord is our strength! It's a supernatural joy that is not happiness that comes with situations but an inner joy and peace that comes from the Holy Spirit. It is not the happiness that the world gives; they talk of joy and happiness but they have no idea about this kind of joy because it is different. It sustains you in sorrow when you've lost a loved one and you are grieving, you still have an inner joy because you know that God is in control of everything.

And so the Holy Spirit was telling me really strongly for us to guard our joy and practice the joy of the Lord; nurture it so that you are always walking in joy of the Lord. Check yourself and make sure you have that joy.

Nehemiah 8:5-12

(5) And Ezra opened the book in the sight of all the people; (for he was above all the people;) and when he opened it, all the people stood up:

(6) And Ezra blessed the LORD, the great God. And all the people answered, Amen, Amen, with lifting up their hands: and they bowed their heads, and worshipped the LORD with their faces to the ground.

(7) Also Jeshua, and Bani, and Sherebiah, Jamin, Akkub, Shabbethai, Hodijah, Maaseiah, Kelita, Azariah, Jozabad, Hanan, Pelaiah, and the Levites, caused the people to understand the law: and the people stood in their place.

(8) So they read in the book in the law of God distinctly, and gave the sense, and caused them to understand the reading.

(9) And Nehemiah, which is the Tirshatha, and Ezra the priest the scribe, and the Levites that taught the people, said unto all the people, This day is holy unto the LORD your God; mourn not, nor weep. For all the people wept, when they heard the words of the law.

(10) Then he said unto them, Go your way, eat the fat, and drink the sweet, and send portions unto them for whom nothing is prepared: for this day is holy unto our Lord: neither be ye sorry; for **the joy of the LORD** is your strength.

(11) So the Levites stilled all the people, saying, Hold your peace, for the day is holy; neither be ye grieved.

(12) And all the people went their way to eat, and to drink, and to send portions, and to make great mirth, because they had understood the words that were declared unto them.

FALLEN IDOLS

By Sheriff Jim R. Schwiesow, Ret.
March 3, 2009

The inescapable truth is that American people love the lie, if that were not the case they would not follow the lies of their political leaders with such assiduous relish. Like Pavlov's dogs they salivate over political predicts that titillate their selfish desires with false affirmations of gain without effort, riches without endeavor, and a golden paradise without enterprise. They applaud the deceitfulness of their political gods and rest upon the promises of these their heathen select. They abhor the truth and adulate the lie. It is the American way; it is the devil's way.

This nation is now on the fringe of the most egregious times in its entire history, and on the incipient edge of the most complete and devastating economic collapse that has ever been experienced or ever will be experienced. A collapse that will set into motion a series of cataclysmic events that will humble a spiritually impoverished people to the deepest depth of their souls. Millions will not survive these times and those who do will have wished many times through the course of events that they could die.

Where they have known plenty they will know hunger and starvation, where they have known wellness they will know pestilence and disease, where they have known peace they will know strife and mind numbing violence, where they have known prosperity they will know abject impoverishment and wrenching want and where they have known safety a holocaust and fiery destruction now awaits them. These are the wages due a sin-laden people.

"But we are all as an unclean thing, and all our righteousnesses are as filthy rags; and we all do fade as a leaf; and our iniquities, like the wind, have taken us away."

As I write, our idols, the secular gods of this nation, disintegrate before our eyes. As magically as they seemed to appear the monies in investment accounts disappear, 401K investments are depleted, private and public retirement systems are bankrupted, bank reserves dissipate and industrial conglomerates, heretofore thought to be inviolable, sink into oblivion. Over built and over priced mansions are vacated and abandoned to decay, savaged by vandals they are left to rot on their foundations. Boats, recreation vehicles and fine automobiles clog the lots of dealers for want of buyers.

Fine furniture and appliances to accessorize now vacant homes gather dust in showrooms and expensive personal accoutrements and fine clothing languish on store racks.

Drastic reduction in prices and urgent sales entice no customers and empty storefronts look onto nearly empty mall corridors like ghostly specters. The home mortgage debacle was merely a blip on a screen that ushered in the beginning of an economic recession, the collapse of commercial real estate markets will set off a raging economic fire that will polish off the economy and send the country into a depression from which there will be no recovery.

DELIVERING THE NATION TO PERDITION

A Luciferian apparition hovered over the darkly ritualized inauguration of Barack Hussein Obama, a/k/a, Barry Soetoro. It was an occultist celebration of demonic design, sodomy was celebrated, Rick Warren the new age preacher of the Council on Foreign Relations mocked Christ Jesus with a prayer in the name of Isa a false Moslem Jesus and Almighty God was likened to Allah. Satan must have been greatly pleased with a sacrament ceremony that was replete with all of the appropriate occult ritual. A sodomite Bishop was selected by Obama to lead prayers at inauguration events and peripheral events were sate with deviant orgies. With that solemnization of demonic rule the death of the United States was sealed.

We are at a stunning point in time, a time when combinations of perverse elements have come together to deliver this nation unto total annihilation. The American people are about to learn that by their acquiescence to the lusts of the flesh and by their rejection of the Eternal God and his eternal laws this nation has been delivered into the hands of Belial and concomitantly into the hands of his servant Barack Obama, who, if he is not the antichrist, is a predecessor thereof and in thrall to the prince of darkness. He has all of the deceit and guile of his master and is possessed of the same treachery and evil intentions. His mastery of the spoken word does not come from a teleprompter, like another of the antichrists, Adolph Hitler, he is demonically controlled and a medium for the devil himself. The clever deception and slippery smoothness, the glib lies, the sweet cajoling manipulation and the hot satanic anger when challenged mark him as the devils own.

Mr. Obama and the communist members of his new politburo are strutting and preening like puffed up peacocks in a mating ritual. They see an unfettered road to the fruition of the Marxist/Socialist state that they have so long pursued. We are now in the grip of a bevy of the most moronic political leaders in the history of this nation.

Even sadder is the fact that supposedly intelligent people have put them into office. It must surely be that those who elected them are cut from the same cloth.

To listen to Nancy Pelosi is to plumb the dark dank depths of ignorance. To paraphrase columnist Ann Coulter Ms. Pelosi, who has had so many face lifts that she looks perpetually surprised, is living proof that a mentally retarded personality can ascend to majority leadership in the congress. Her counterpart of the Senate, Harry Reid, recently gave an interview in which he insisted that all taxes in the United States are entirely voluntary. His convoluted and nescient ramble marks him as one of the dimmest and most obtuse men that I have ever had the displeasure of listening to. That such vacuous and socialistic pliable twits are in charge of the nation causes one to shudder in contemplation of our inevitable destiny, it cannot be questioned that they are perfect puppets for the new diabolic messiah, Barack Obama.

THE FATE OF THE UNITED STATES

*“And he said unto me, It is done. I am Alpha and Omega, the beginning and the end. I will give unto him that is athirst of the fountain of the water of life freely. He that overcometh shall inherit all things; and I will be his God, and he shall be my son. But the fearful, and unbelieving, and the abominable, and murderers, and whoremongers, and sorcerers, and idolaters, and **all liars**, shall have their part in the lake, which burneth with fire and brimstone: which is the second death.”*

In six short weeks the new president has virtually sealed the fate of the nation and has assured that there will be no recovery from the present deep recession. Seemingly to assuage a people who have not the will or the ethics to sacrifice or to apply the discipline and correction necessary to whether the storm and to reward the criminality of the corporate and financial world, Mr. Obama has - by his egregious useless, wasteful, and totally counterproductive legislative bailouts and so-called stimulus measures - made certain that the economic bloodbath will continue and worsen to the point of a complete collapse.

To enlightened observers it would appear that Barack Obama is deliberately destroying the Republic and its constitutional underpinnings so that the nation can be resurrected in totality as a Marxist/Socialist state. He will find the extreme outcome of such an endeavor is that nothing can be resurrected from ashes, and ashes are what he will reap from his maneuvers.

The social fabric of this nation is a festering mess and putrid to behold. It is the outcome of a half-century of

indoctrination of the nation's young people with mindless political correctness and Marxist doctrine. One would think that it could not get any worse, but Barack Hussein Obama has determined that the nation is not filthy enough to satiate his desire that the nation be of Mephistophelean structure, which is to say prurient, nasty and vile. His every political move has been to encourage the continuing murder of millions of innocent babies and to support the ongoing and worsening practice of sodomy and unnatural human relationships, the forces of which sow the pernicious seeds of family destruction.

A righteous people would not condone or tolerate such morally corrupt and evil practices nor would they elect those who promote and encourage such. As the people go so goes the nation, and that is why Barack Hussein Obama is the president of our previously morally justified nation. What once was is no more; we have a new age, a corrupt new people and a new leader to match our new perversity.

Every outward and visible sign is that Barack Hussein Obama has been predestined to preside over the absolute destruction of this nation. The misery and grief will be deep and prodigious and millions will perish as the nation progresses through the excruciating and agonizing stages preceding its demise.

There is no secular hope for a collective delivery from what is to come upon this nation, but there is great hope for those who surrender their lives to Jesus Christ and place their faith in Him. He is mighty in power and wondrous in grace, and He abides with those who rest in Him and know Him as Savior, and He will be with them even unto the end of the age.

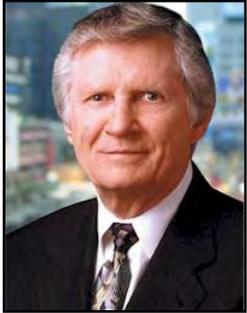

“For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life. For God sent not his Son into the world to condemn the world; but that the world through him might be saved.

He that believeth on him is not condemned: but he that believeth not is condemned already, because he hath not believed in the name of the only begotten Son of God.”

AN URGENT MESSAGE FROM DAVID WILKERSON

Saturday, March 7, 2009

I am compelled by the Holy Spirit to send out an urgent message to all on our mailing list, and to friends and to bishops we have met all over the world.

AN EARTH-SHATTERING CALAMITY IS ABOUT TO HAPPEN. IT IS GOING TO BE SO FRIGHTENING, WE ARE ALL GOING TO TREMBLE - EVEN THE GODLIEST AMONG US.

For ten years I have been warning about a thousand fires coming to New York City. It will engulf the whole megaplex, including areas of New Jersey and Connecticut. Major cities all across America will experience riots and blazing fires—such as we saw in Watts, Los Angeles, years ago.

There will be riots and fires in cities worldwide. There will be looting—including Times Square, New York City. What we are experiencing now is not a recession, not even a depression. We are under God's wrath. In Psalm 11 it is written,

"If the foundations are destroyed, what can the righteous do?" (v. 3).

God is judging the raging sins of America and the nations. He is destroying the secular foundations.

The prophet Jeremiah pleaded with wicked Israel, "God is fashioning a calamity against you and devising a plan against you. Oh, turn back each of you from your evil way, and reform your ways and deeds. But they will say, It's hopeless! For we are going to follow our own plans, and each of us will act according to the stubbornness of his evil heart" (Jeremiah 18:11-12).

In Psalm 11:6, David warns, *"Upon the wicked he will rain snares (coals of fire)...fire...burning wind...will be the portion of their cup."* Why? David answered, "Because the

Lord is righteous" (v. 7). This is a righteous judgment—just as in the judgments of Sodom and in Noah's generation.

WHAT SHALL THE RIGHTEOUS DO? WHAT ABOUT GOD'S PEOPLE?

First, I give you a practical word I received for my own direction. If possible lay in store a thirty-day supply of non-perishable food, toiletries and other essentials. In major cities, grocery stores are emptied in an hour at the sign of an impending disaster.

As for our spiritual reaction, we have but two options. This is outlined in Psalm 11. We *"flee like a bird to a mountain."* Or, as David says, *"He fixed his eyes on the Lord on his throne in heaven—his eyes beholding, his eyelids testing the sons of men"* (v. 4). *"In the Lord I take refuge"* (v. 1).

I will say to my soul: No need to run...no need to hide. This is God's righteous work. I will behold our Lord on his throne, with his eye of tender, loving kindness watching over every step I take—trusting that he will deliver his people even through floods, fires, calamities, tests, trials of all kinds.

Note: I do not know when these things will come to pass, but I know it is not far off. I have unburdened my soul to you. Do with the message as you choose.

God bless and keep you,

In Christ,

A FURTHER WORD

Monday, March 9, 2009

"If the foundations be destroyed, what shall the righteous do?"

Recently I felt compelled to send out an URGENT message warning of an impending great calamity – such that will cause even God's elect to tremble.

One Bishop asked, *"Is there no further word: How should the righteous respond to such a word?"*

I can only answer by sharing what the Holy Spirit is speaking to my own heart and what I am to do. I shared that I was led in a practical way to lay aside a month's supply of food – because I have witnessed the panic in the wake of terrorism. That has to be a personal word for every individual.

This is what I hear the Holy Spirit speaking to my heart concerning my own spiritual response to impending calamity. It is simply this – **STAND STILL AND SEE THE SALVATION OF THE LORD.**

"And Moses said to the people, Fear ye not, stand still, and see the salvation of the Lord, which he will show you today...The Lord shall fight for you, and you shall hold your peace" (Exodus 14:13-14).

This is the attitude of faith in the face of calamity. What could Israel do on the brink of the Red Sea? Pharaoh's army is pressing in, mountains are on both sides, and there is an impossible sea ahead. The flesh cries, "Do something!"

The flesh cries hopelessness. Can God's people dry up the sea? Level a mountain? Fight a great army without having weapons? They are in what appears to be a dreadful, frightening situation. God's people tremble – and in this hour of trembling comes a word from God. In essence:

"Stand still. Fear not. This is the hour of salvation. You are going to witness the pulling down of the foundations of a

world power. But in the same hour, I will fight for you. Hold your peace – be still and see my works."

Beloved, my warning is just one voice among many who are saying the same thing. We may all tremble for a season, but those who truly know God's Word will be quickly comforted by the Holy Spirit. We will be baptized with a great peace – a supernatural quietness – which will be a tremendous witness to the fearful multitudes.

In Christ,

David Wilkerson

Prayer Saves Time

**By Sotiris Christou,
February 18, 2009**

If something in your life is falling apart, is prayer the first thing you do or the last? If prayer comes last so will the solution to your problem.

"For every one that asketh receiveth; and he that seeketh findeth; and to him that knocketh it shall be opened." (Matthew 7:8)

"And I say unto you, Ask, and it shall be given you; seek, and ye shall find; knock, and it shall be opened unto you." (Luke 11:9)

Push other things aside and get into prayer and in contact with God.

"But seek ye first the kingdom of God, and his righteousness; and all these things shall be added unto you." (Matthew 6:33)

Before we worry about the problems in the White House, we need to start rebuilding what God has given to us – the church.

"Therefore, my beloved brethren, be ye steadfast, unmoveable, always abounding in the work of the Lord, forasmuch as ye know that your labour is not in vain in the Lord." (1 Corinthians 15:58)

IF I WERE THE DEVIL...

Paul Harvey speculates about what he would do if he were evil.

I would gain control of the most powerful nation in the world;

I would delude their minds into thinking that they had come from man's effort, instead of God's blessings;

I would promote an attitude of loving things and using people, instead of the other way around;

I would dupe entire states into relying on gambling for their state revenue;

I would convince people that character is not an issue when it comes to leadership;

I would make it legal to take the life of unborn babies;

I would make it socially acceptable to take one's own life, and invent machines to make it convenient;

I would cheapen human life as much as possible so that the life of animals are valued more than human beings;

I would take God out of the schools, where even the mention of His name was grounds for a lawsuit;

I would come up with drugs that sedate the mind and target the young, and I would get sports heroes to advertise them;

I would get control of the media, so that every night I could pollute the mind of every family member for my agenda;

I would attack the family, the backbone of any nation.

I would make divorce acceptable and easy, even fashionable. If the family crumbles, so does the nation;

I would compel people to express their most depraved fantasies on canvas and movie screens, and I would call it art;

I would convince the world that people are born homosexuals, and that their lifestyles should be accepted and marveled;

I would convince the people that right and wrong are determined by a few who call themselves authorities and refer to their agenda as politically correct;

I would persuade people that the church is irrelevant and out of date, and the Bible is for the naive;

I would dull the minds of Christians, and make them believe that prayer is not important, and that faithfulness and obedience are optional;

I guess I would leave things pretty much the way they are.

TRUTH AND THE PURSUIT OF...

By C. Ross Trotter

The pursuit of truth is our greatest challenge in every day life, in every one of our endeavors. In these last days we have witnessed a wholesale abandonment of truth. In any cultural war truth is the first casualty. Today we are told everything is relative. Scripture repeatedly portrays a rise in lies and deceit to be characteristic of the last days. What is truth? In John 18:37 Jesus is standing before Pilate and Pilate asks Him a question:

“Pilate therefore said unto him, Art thou a king then? Jesus answered, Thou sayest that I am a king. To this end was I born, and for this cause came I into the world, that I should bear witness unto the truth. Every one that is of the truth heareth my voice. Pilate saith unto him, What is truth?”

Pilate's question is still valid today. Truth speaks of being genuine, exact, conforming to a standard, absolute! We either have truth or a lie! We need to know what is true regarding Jesus (Yeshua) and the major tenets of our faith in Him. If we know the written Word and have a personal relationship with the Living Word (Christ Jesus), then Satan cannot tempt, or deceive us with his lies.

How did Jesus define truth in John 17:17? Speaking to God the Father in prayer, Jesus said: *“thy word is truth.”*

How important is God's word to Him? In the Psalms we read: *“I will worship toward thy holy temple, and praise thy name for thy loving kindness and for thy truth: for thou hast magnified thy word above all thy name.” (Psalm 138:2)*

So we see it is very important. God places His Word above His Name!

In John 8:31-32 Jesus says: *“If ye continue in my word, then are ye my disciples indeed; And ye shall know the truth, and the truth shall make you free.”*

Notice it does not say just set you free, but make you free – there is a difference. Making one free is not only the power to set free but the truth to maintain that freedom. Knowing and maintaining the truth is the first step, the next step is operating in it.

The Lord Jesus Christ says to:

REJOICE IN THE TRUTH!

“Rejoiceth not in iniquity, but rejoiceth in the truth;” (1 Cor. 13:6)

LOVE THE TRUTH!

“And with all deceivableness of unrighteousness in them that perish; because they received not the love of the truth, that they might be saved. And for this cause God shall send them strong delusion, that they should believe a lie: That they all might be damned who believed not the truth, but had pleasure in unrighteousness.” (2 Thes. 2:10-12)

STUDY AND DIVIDE THE TRUTH!

“Study to show thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth.” (2 Timothy 2:15)

WALK IN THE TRUTH!

“For I rejoiced greatly, when the brethren came and testified of the truth that is in thee, even as thou walkest in the truth. I have no greater joy than to hear that my children walk in truth.” (3 John 3-4)

OBEY THE TRUTH!

“Seeing ye have purified your souls in obeying the truth through the Spirit unto unfeigned love of the brethren, see that ye love one another with a pure heart fervently: Being born again, not of corruptible seed, but of incorruptible, by the word of God, which liveth and abideth for ever.” (1 Peter 1:22-23)

SERVE THE LORD IN TRUTH!

“Only fear the LORD, and serve him in truth with all your heart; for consider how great things he hath done for you.” (1 Samuel 12:24)

SPEAK THE TRUTH!

*"He that walketh uprightly, and worketh righteousness, and speaketh the truth in his heart."
(Psalms 15:2)*

KNOW THE TRUTH!

"If ye continue in my word, then are ye my disciples indeed; And ye shall know the truth, and the truth shall make you free." (John 8:31-32)

Truth in a broad sense refers to "truthfulness", meaning integrity of character. In Psalm 51:6 we can see what our Heavenly Father desires of us:

"Behold, thou desirest truth in the inward parts: and in the hidden part thou shalt make me to know wisdom."

Where do we get the truth? From the Word of God!

What does it mean to be a "truthful person"? It means we do not lie to ourselves, to others, or to Jesus Christ in word or deed! We are told in Galatians 3:27 *"For as many of you as have been baptized into Christ have put on Christ."*

Truth, then, is wrapping ourselves in the character and nature of Jesus Christ in every activity.

Truth is something we live! Truth is Someone who lives! (Jesus Christ)

In John 14:6 Jesus says: "I am the way, the truth, and the life: no man cometh unto the Father, but by me. If ye had known me, ye should have known my Father also: and from henceforth ye know him, and have seen him."

Therefore: Wrap yourself in THE TRUTH, appropriate... THE LIVING WORD: JESUS CHRIST!

LIBERTY AS IT PERTAINS TO "AUTHORITY"

By C. Ross Trotter

"And ye shall hallow the fiftieth year, and proclaim liberty throughout all the land unto all the inhabitants thereof; it shall be a jubilee unto you; and ye shall return every man unto his possession, and ye shall return every man unto his family."(Leviticus 25:10) (The 50th year, the year of Jubilee was to be a time of liberty, all debts were cancelled, and all slaves set free.)

Did you know that the Liberty Bell, a symbol of this nation's heritage, has inscribed that exact verse which speaks of the rights and freedoms valued by people the world over.

Noah Webster's definition of liberty: "freedom from restraint, applicable to the body, or to the will or mind. A man enjoys liberty, when no physical force operates to restrain his righteous actions. Religious liberty is the free right of worshiping the Supreme Being of Authority (Jesus Christ) according to the dictates of the conscience, without external control."

This was the basis of the First Amendment to the Constitution of the United States, which states: "Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging (depriving) the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances."

This country was established as a constitutional republic and its laws were and are based on that Supreme Being of Authority, Jesus Christ. Those placed in authority must of necessity hold to the internal controls placed within by a righteous and Holy God from where all authority rests. Romans 13:4 - "all who are placed in authority must be "ministers of righteousness". However, a man placed in a position of authority oftentimes rejects the laws of a righteous God and enacts his own unrighteous rules and regulations. Their rebellious cry is this: "let us break away from the

restraints a righteous God has placed upon us.” (Psalm 2)

“While they promise them (the people) liberty, they themselves are the servants of corruption: for of whom a man is overcome, of the same is he brought in bondage.” (2 Peter 2:19)

“When the righteous are in authority, the people rejoice: but when the wicked beareth rule, the people mourn.” (Proverbs 29:2)

We can see by this that there are two sides to the concept of “liberty”.

(The “wicked side” and the “righteous side” shown in the verses below):

The “righteous side” here in James 1:25 - **“But whoso looketh into the perfect law of liberty, and continueth therein, he being not a forgetful hearer, (of the perfect law of liberty) but a doer of the work, this man shall be blessed in his deed.”**

The “wicked side” here in Psalm 2:1-3 - **“Why do the heathen rage, and the people imagine a vain thing? The kings of the earth set themselves, and the rulers take counsel together, against the LORD, and against his anointed, saying, Let us break their bands asunder, and cast away their cords from us.”**

Those placed in authority, must uphold their responsibility of keeping righteous principles found in the Word of God. Authority = responsibility.

We all have a responsibility to maintain God-given “liberty”!

One of this country’s founding fathers had this to say about “liberty”.

“Those who would give up an essential liberty for temporary security deserve neither liberty nor security.” (Benjamin Franklin) Note: Giving up liberty for security equals bondage!

Our Great God and Creator of all things, Jesus Christ, gave us liberty! How do we maintain it? Listen to His Word:

“Stand fast therefore in the liberty wherewith Christ (Jesus) hath made us free, and be not entangled again with the yoke of bondage. (Galatians 5:1)

For, brethren, ye have been called unto liberty; only use not liberty for an occasion to the flesh, but by love serve one another. For all the law is fulfilled in one word, even in this; Thou shalt love thy neighbour as thyself.” (Galatians 5:13-14)

Where the Spirit of the Lord is...there is liberty!

Authority exercised (in love for the brethren) proclaims true liberty!

TEACHING SERIES ON THE PROPHET DANIEL

Sermon Outline Booklet

You may have heard Pastor John mention this booklet in a recent sermon (RLJ-1176) as he addressed the historical facts and cultural settings, but most of all, the message from God. Daniel was chosen by God to lead the people of Israel at a time of crisis when the nation was in upheaval, a large number of the people had been forced into captivity in a foreign land and sin was rampant.

Even though Daniel was only a young boy, his first stand for God was taken at the young age of 14. God responded to this young prince and gave him supernatural understanding and wisdom, so that when he stood before different kings, he was not intimidated, but radiated the power of God and impressed some of the most powerful men on the earth at the time.

God also saw fit to show Daniel visions of the future and what would happen in the end times. This series is an exciting look into the life of a young boy and his progress through life with its various challenges.

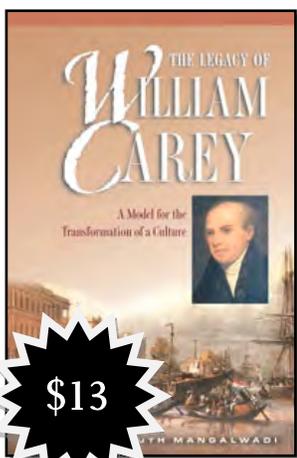

This booklet contains all 16 sermon outlines from the series.

The Legacy of William Carey

Vishal & Ruth Mangalwadi

He was an industrialist. An economist. A medical humanitarian. A media pioneer. An educator. A moral reformer. A botanist. And a Christian missionary. And he did more for the transformation of the Indian subcontinent in the nineteenth and twentieth centuries than any other individual before or since.

Many know of William Carey. Some know about the specifics of his work and ministry. But few understand the profound contemporary significance of his life. Few realize how much we owe the increasing globalization of Christianity to the silent revolution he initiated. Fewer still are aware of his legacy of sensitivity to the variety of issues confronting true gospel witness in any culture.

This biography about the central character in the story of India's modernization and transformation will help you understand Carey's impact. But *The Legacy of William Carey* is more than a biography. It is a charge to all Christians to respond in kind within our own cultures, and to use Carey's example as our model for taking the light of the Gospel into every corner of society. If we follow in his footsteps, not only will lives be bettered this side of heaven, but hearts will be changed for eternity--and entire cultures transformed for Christ.

ANOTHER JESUS?

By Roger Oakland

Pope John Paul II has called for a new evangelization focused on the Eucharistic Christ. According to Roman Catholic teaching, the Eucharist is the central component of the Mass and the source and summit of Christianity. It is believed that

when a priest consecrates the Communion bread, the wafer is no longer bread, but the actual body, blood, soul, and divinity of Jesus Christ. Rome teaches that Jesus is literally and bodily present wherever a consecrated Host is found. Therefore, hundreds of thousands of Catholic churches claim that Jesus is present in their eucharistic tabernacle or monstrance.

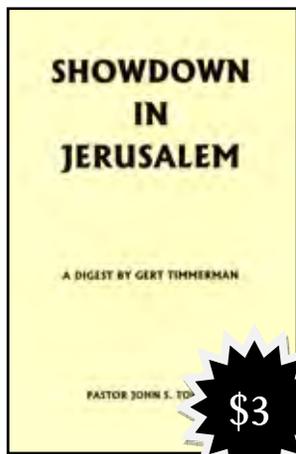

How might this peculiar belief lead to the evangelization of the world into the Roman Catholic religious system? Is transubstantiation taught in the Bible? Does Bible prophecy give insight into these global, ecumenical end-time events? What did Jesus mean when He warned that many would claim that Christ was in the "inner rooms" in the last days (Matthew 24: 23-27)? Why did Jesus warn that these false appearances of counterfeit Christ's would be accompanied by "great signs and wonders to deceive, if possible, even the elect"?

Another Jesus? The Eucharistic Christ and the New Evangelization, explores these topics from a biblical perspective - exhorting all to heed the Bible's warnings. By chronicling the growing cult of eucharistic adoration and the increasing trend of eucharistic evangelization, Roger Oakland points readers back to a "more sure word of prophecy" and the true Jesus of the Bible.

SHOWDOWN IN JERUSALEM

By Gert Timmerman

Beginning in the 1990's and up through 2004, John S. Torell wrote a number of articles published in The Dove magazine that brought out a lot of information on Judaism, the birth of the Zionist movement and its historical steps that had been suppressed by the media and ignored by the Christian leadership in colleges and seminaries. This digest leads the reader through the Cabala, the declaration of Sabbetai Sevi as the Jewish Messiah in 1666, the crypto Jews who today hold political offices in all nations; it also deals with the creation of communism, socialism and fascism; the Russian revolution, World War I and II and the formation of the current political state of Israel.

If Christian Zionists would only take the time to study this truth, there would be no Christian support for the State of Israel and the goal of the Zionist World Federation to some day present the world with a Jewish Messiah which the Bible calls the Antichrist.

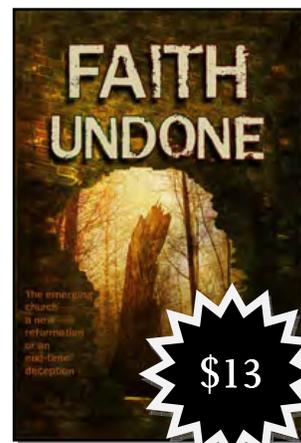

We are also making it available in booklet form because many of you also love the truth and wish to see people set free. Verbal communication dims with time but written words are forever. Get a few copies and give them to your friends. You can also read it online for free. See the August 2008 newsletter.

FAITH UNDONE

By Roger Oakland

Is the emerging church movement just another passing fad, a more contemporary approach to church, or a bunch of disillusioned young people looking for answers? In fact, it is actually much broader and is influencing Christianity to a significant degree. Grounded in a centuries-old mystical approach, this movement is powerful, yet highly deceptive, and it draws its energy from practices and experiences that are foreign to traditional evangelical Christianity. The path that the emerging church is taking is leading right into the arms of Roman Catholicism and ultimately to an interfaith perspective that has prophetically profound ramifications.

It is indeed a new way of being Christians, and in every conceivable manner, it is striving to bring about a new reformation. Without a doubt, it will have an impact on all churches in the Western world and far beyond. For behind this new kind of church is a well-designed strategy and maneuver by the prince of this world, the enemy of our souls, to literally take apart the faith of millions - it will be nothing less than faith undone.
