PART 1: WHAT IS FAITH?

There is no greater source in the Bible about faith than chapter eleven in the book of Hebrews. It challenges the reader to look at the men and women who walked with God, and through the most difficult circumstances, believed that God was real and would not let them down.

DEFINITION OF FAITH

Faith is the substance of things hoped for. **Hebrews 11:1-2**

Faith is an emotion. **Job 19:25-27**

Faith is the hope of the mind that something is going to happen. **Acts 27:21-26**

Faith is a gift from the Holy Spirit. **1 Corinthians 12:9**

Faith is knowing God as your Father. **Luke 11:9-13**

Some Christians have faith in faith, while others have faith in people but genuine faith is in our heavenly Father. Mark 11:22-24

Sin will destroy faith. **1 John 1:4-10**

Unforgiveness will destroy faith. **Mark 11:25-26**

Unbelief will destroy faith. **James 1:5-8**

FAITH BEGINS WITH THE CREATION

It should be clear to every Christian that if we do not have faith to believe that God is the Creator, there will be no faith from God for that person. **Hebrews 11:3**

If you claim to believe in evolution, you are saying there is no God. The foundation of the Christian faith is that God is the Creator and that He is ruling His creation. **Genesis 1:1; John 1:1-14; Colossians 1:12-20**

There can be no faith if God the Father is not supreme in your life. **Isaiah 45:21-22; 46:9-11**

Christianity is faith in God and in the Bible. **Isaiah 55:6-11**

There is no salvation without faith in God and the Bible. **Acts 4:8-12**

Remember, it's not so important how you begin your life after salvation, but how you finish it!
