### **PART 6: THE INNER MAN**

In the previous message we established that the body is the physical vehicle that a human being is given to live in while on earth.

We also learned that the physical body and the brain is neutral, meaning it has no personality. It is the soul that is the real human being; the soul is the *real you*.

### **BIBLICAL FACTS ABOUT THE SOUL**

The soul is from the spirit world and has a spiritual body and a brain that the Bible called "the mind." The mind has two components: the soul section and the spiritual section.

An unsaved person is able to function on the earth but he cannot communicate nor have a relationship with God since the spirit part of his mind is dead.

**1 Corinthians 2:14**

When a person is born again, the dead spirit part of his mind is made alive and he is now a new creation. **John 3:1-7; Ephesians 2:1-5; 4:23-24; 2 Corinthians 5:16-17**

The soul has been saved and the dead spirit which has been born again is now alive and fully able to communicate with the Holy Spirit. **1 Corinthians 2:9-16; John 10:10; Hebrews 11:6**

Thus "the mind" of the soul is the *real person* and this soul body is the spiritual vehicle which will be used when he leaves this earth. The spiritual mind and its soul body does not decay or age. **Ephesians 3:16; 2 Corinthians 4:16**

The soul of a human being has more value than the entire earth. **Matthew 16:25-26**

***Remember, it's not so important how you begin your life after salvation, but how you finish it!***

***Do you have an ear to hear with?***
