PART 11: JESUS & ENOCH

## **THE SECOND COMING OF CHRIST**

The Old and New Testaments state that the Son of God will come back to the earth and set up His kingdom. This will be followed by the Great White Throne Judgment, the destruction of the earth and the universe, followed by the creation of a new heaven and a new earth. **Revelation chapters 19, 20 and 21**

The only thing that God has withheld is the day and year. **Matthew 24:29-37**

However, Jesus did say that if we watched for certain signs, we would be able to tell how close we were to the Second Coming of Christ. Life on earth would be the same as it was in the days of Noah before the flood. This warning was repeated twice. **Matthew 24:37-39; Luke 17:26-27**

The Bible also says there will be a falling away and a world dictator will precede the Second Coming of Jesus. **2 Thessalonians 2:1-17; Revelation 13:1-18**

Jesus told us that life in the end times will be similar to the days of Noah. When I read Genesis chapter six, I understood that angels had taken human wives and created some kind of human/demonic beings, which are called "giants" in the King James Bible. The Hebrew word is "Nephilim," which means "fallen ones." The apostles also came to the same understanding. **2 Peter 2:4; Jude 6**

There was a pre-Adamic war in heaven and Satan was cast down to the earth. **Revelation 12:1-17**

Job was given insight about the spirit world and how Satan was still able to present himself to the Lord. **Job 1:1-22; 2:1-13**

More information is provided on the fall of Lucifer by the prophets Isaiah and Ezekiel. **Isaiah 14:12-21; Ezekiel 28:11-19**

There has to be a courthouse in heaven where Lucifer comes to file complaints as described in the book of Job. This would have been the same courthouse in which Lucifer was sentenced to the Lake of Fire, along with the fallen angels that sided with him. **Matthew 25:41**

Some people try to place the casting down of Satan to the earth as taking place during the tribulation period but this is strongly opposed by Jesus. **Luke 10:17-20**

Daniel described angels called "Watchers" who rule the world through the Laws of God. So there has to be some kind of an angelic center from which these angels reside and rule. **Daniel 4:13-17**

## **THE BOOKS OF ENOCH**

The biblical account of the flood in Genesis chapter six doesn't provide a lot of details as to what took place in the days of Noah. For a number of years I thought there must

be some kind of written record that would give us more insight into this time period. I knew there was more material which was not included in the Bible. The “book of Enoch” kept coming up in my mind and so I decided to read this book and see what it was all about.

## **THE LIFE OF ENOCH**

Enoch was born when Adam was 622 years old and they lived at the same time for 308 years. Enoch was taken by God 57 years after Adam died. Enoch was the 7<sup>th</sup> generation from Adam. The Bible doesn’t provide a lot of information about Enoch. **Genesis 5:18-24; Hebrews 11:5**

The apostles Peter and Jude quoted the writings of Enoch. **2 Peter 2:4-5; Jude 14-15**

Jesus is repeatedly referred to as the “Son of man” in the four Gospels. This title is also found in the Old Testament. I had never before examined the title and what it meant during my 35 years as a Christian. Then I read the following in the first book of Enoch:

“At that hour, that Son of man was given a name, in the presence of the Lord of the Spirits, the Before Time, even before the creation of the sun and the moon, before the creation of the stars, he was given a name in the presence of the Lord of Spirits. He will become the light of the gentiles and he will become the hope of those who are sick in their hearts. All those who dwell upon the earth shall fall and worship before him; they shall glorify, bless, and sing the name of the Lord of Spirits. For this purpose he became the Chosen One; he was concealed in the presence of the Lord of the Spirits prior to the creation of the world, and for eternity.” **1 Enoch 48:1-5**

Luke quoted part of that passage. **Luke 2:32**

The apostle John had the same understanding. **John 1:1-10**

Even the apostle Paul said much the same. **Philippians 2:5-11**

The book of Enoch was preserved by the descendants of Abraham. It dates back to the time period before the flood and must have been preserved by Noah and his sons, in much the same way that Noah preserved the early writings of the book of Genesis. Enoch was Noah’s great-great-grandfather.

It is obvious that the knowledge of the creation and the life of Adam and Eve would be passed on from generation to generation. A record, whether it was written or oral, was passed from generation to generation. Only four men survived the flood, Noah and his three sons. I believe that the information written in the Books of Enoch are true and reflect how terrible life was during this time of horror that was later referred by Jesus in the New Testament as the “days of Noah.”

Adam and his sons knew that the Son of man would be the Messiah and that salvation would come through Him. **Genesis 3:15**

The word for God used in the first chapter of Genesis is “Elohim,” which is the Hebrew word for the Godhead and literally means “Gods.” The passage in Enoch points to the deity of the Son of man, how He is eternal, and that one day every knee will bow before

Him. This written account by Enoch shows his knowledge had come by revelation from God. The Bible confirms that he walked with God in a special way. **Hebrews 11:5**

## **SOME FACTS ABOUT THE BOOK OF ENOCH**

The first book of Enoch is only found complete in the Ethiopic (Ge'ez) version, for which more than forty manuscripts are known to exist as of 1983. The original language was Hebrew, while some may argue that the book was written in a mixture of Hebrew and Aramaic like the book of Daniel. Fragments of the first book of Enoch were found among the Dead Sea Scrolls, which date back to around 200 B.C.

Common sense should tell us that the original manuscripts of Adam and Eve's history as found in the book of Genesis do not exist today. Instead, the knowledge was passed from generation to generation and it was Moses who recorded the Genesis account some 2,600 years after Adam.

The same process must be true for the first book of Enoch. Regardless of the spin scholars put on the book of Enoch, they all agree that it was written in the first century A.D. by the Christian community.

This presents a problem for the scoffers since electricity, cloning and genetic engineering were not known in the first century, yet the Bible and the book of Enoch speak on these subjects. The Bible is a direct revelation from God, preserved by men through the power of the Holy Spirit. The additional information provided in the book of Enoch is in harmony with the Bible, and offers more insight into the time period between Adam and Noah.

The Bible provides many accounts of how God's angels worked on this planet, changed events and rescued God's people. Some of the most exciting events are described in the book of Daniel. He was promised that at the end of time God would unseal the revelation of Jesus Christ. **Daniel 12:3-10**

According to Jesus, life on earth will revert to how it was before the flood. The impact of that is frightening to those who understand what it really means. Fallen angels will once again intermingle with human beings and produce a hybrid race, who are totally evil and void of all mercy, love and goodness. **Genesis 6:1-5**

## **WHAT DID ENOCH KNOW?**

What did Enoch know about the fallen angels? In chapter six of the first book of Enoch, he shares the following details:

1. There was a group of 200 fallen angels and their leader was Semyaz. They saw the beauty of the women born on earth and decided to take some as wives and produce children through them.

My personal understanding is that this group of 200 angels had been working with God in the creation of human beings prior to Lucifer's rebellion and thus had knowledge of how the human body was engineered. Using this knowledge for their own purposes, they were able to create some kind of a physical body which enabled them to have sexual intercourse with human women.

2. Semyaz did not trust the fallen angels under his command. He made them swear an oath with a curse, which bound them altogether before they started this project.

This type of oath with a curse also happens to be the kind practiced by Satanists, witches, Baal worshipers, Freemasons, Mormons, etc. This should not come as a surprise to Christians since Paul tells us that demons seduce and teach doctrine.

**1 Timothy 4:1**

3. They descended upon Mount Hermon located in modern day Syria. This mountain became their headquarters.

Now I understand the origin of Baal worship. Demons seduced people into idol worship again after the flood and Mount Hermon became a center in the Middle East where altars were built and human sacrifices were practiced. Compare this with the mythical Greek gods, who lived on mount Olympus where they were led by Zeus, who was known for his enormous sexual appetite of women. In Rome he was known as "Jupiter" and the Vikings called him "Thor."

The Aztec empire worshiped a cluster of demon gods with high pyramid temples. Humans were sacrificed at the top of these pyramids and their still throbbing hearts were offered to the sun god.

The Olympic Games is a revival of the old Zeus worship. The fire is lit on Mount Olympus by female priests and carried to the game in a torch which is used to light the Olympic altar. There are songs and dances at the opening and closing of the games in honor of the Greek gods. Is it a coincidence that the Roman Emperor Theodosius abolished the games in 393 A.D, because of its ties to demon worship? Was it an accident that the games were brought back to the world in 1894?

4. The 200 fallen angels were divided into groups of ten and each group had a leader. Enoch provides the names of each of these sub-leaders.
5. Each of the 200 fallen angels took a woman as a wife and made her pregnant.

The babies born to these women grew to a height of 300 cubits (450 ft.) and consumed so much food that the people on earth hated them because they were forced to feed them. The giants turned their wrath upon the people and began to kill and eat humans. They also ate birds, mammals, amphibians, reptiles, fish and drank blood.

6. One of the fallen angels introduced advanced technology to mankind. He taught humanity how to mine for ore, melt the ore and extract different metals. He also taught mankind how to fashion the metals into swords, knives, shields and breastplates.

Those who became initiated into this demon religion were taught how to make bracelets, decorations such as shadowing of the eye, making medication, ornamentation, mining for precious stones, coloring tinctures and alchemy to be used in demon worship. Other fallen angels taught humanity incantations, cutting of roots for potions, astrology and how to deceive people.

7. The fallen angels not only educated people in technology to make war but also in occult practices and releasing demonic power on the earth.

This is why the prophet Elijah became petrified with fear after he experienced such a great victory on Mount Carmel. Jezebel sent a message to him as the high priestess of Baal. It was the demon prince of Baal possessing her that sent this message and wiped Elijah out with fear. **1 Kings 18:22-46; 1 Kings 19:1-3**

Jezebel was a woman who had been initiated into Satanic worship from her childhood. **1 Kings 16:30-32**

When Jehu came to confront Jezebel, she went into her chamber and painted herself in the colors of a Baal priestess, put on a head gear and went to the window, hoping to scare Jehu into submission. Jehu was not intimidated and had her killed on the spot. Now you will begin to understand why Jezebel put on her makeup before she went to the window. **2 Kings 9:30-37**

8. The fallen angels also introduced the technology of writing with ink and papyrus and on clay tablets. This was used to write down false doctrine and preserve the incantations and ceremonies taught by the fallen angels.
9. Women were shown how to murder babies in the womb and then extract the dead body.

It is devastating to learn that the knowledge of killing babies in the womb is as old as the beginning of mankind. Is it any wonder that the feminist movement is so militant? These women are driven by powerful demonic princes who have been killing babies for the last 6,000 years. With the current technology, their lust for killing babies has now gone into the millions per year worldwide.

10. The fallen angels also introduced flagellation to mankind. Today it is known as "sodomasochism," where sexual pleasure is derived from causing or receiving pain through bondage and being dominated.

God's Word is true and we really should take heed to what the Lord is saying and examine our behavior. **Genesis 6:1-12; 1 John 1:1-9; Hosea 4:6**
