THE CHOICES

The American people are standing at the crossroads with the choice is to elect a leader that wants to increase abortions, remove Christianity from all government agencies, embrace more of the homosexual agenda, confiscate all firearms from law abiding citizens and stack the Supreme Court with liberal judges that will legislate immorality from the bench. The other choice is someone who seemingly wants to uphold the constitution, bring back Christian values to all government agencies and stem the flow of illegal immigrants to our nation.

UNGODLY MANDATES

It is a dwindling number of people who know the God of Abraham, Isaac and Jacob. This year is the last time there are enough Christians to vote against the evil agenda of the World Government. **Judges 2:6-15**

- ❖ The Supreme Court removed Bible reading and prayer from schools.
- ❖ The Supreme Court legalized the murder of babies in the womb.
- ❖ The Supreme Court gave civil rights to homosexuals.
- ❖ The Supreme Court legalized homosexual marriage.

GOOD GOVERNMENT

God used Jethro to instruct Moses on how to set up a government structure for the Israelites. **Exodus 18:13-27**

God's people were told to speak out. **Proverbs 11:11**

They were to remove the wicked from power. **Proverbs 25:5**

The people rejoice when the righteous are in power. **Proverbs 29:2**

PROPHECY IN THE PAST

God sent Amos to speak against the wickedness the people of Israel. **Amos 3:1-15; 4:1-3**

God brought the people out of Egypt and gave them the Promised Land under the condition that they would be cast out of the land if they stopped serving the Lord. **Deuteronomy 28:56-68**

AMERICA

God brought persecuted Christians from Europe to America so they could build a nation founded upon the Lord, the Bible and the truth that all men are created equal and made in the image of God.

This was the first time that God allowed a nation to be born outside of Israel and endowed with freedom and the right to rule themselves under God.

RETURNING TO BONDAGE

Satan hates America and is diligently working to enslave the American people under a World Government, which is currently seated in Europe. Europe has become to the American people what Egypt was for the Israelites at the time of Moses. Our forefathers fled the tyrannical monarchies of Europe and now the American people are being enticed to put themselves under bondage to the World Government.

THE CANDIDATES

Hillary Clinton and Bernie Sanders are saying what the rebels said to Moses long ago, "Let us continue to do evil..." **Numbers 14:1-4**

Donald Trump is not a perfect man. He has multiple failed marriages but so did King David.

There are no perfect people on this earth, however, there are people who are trying to get close to God and do what is right.

There is no doubt that God has raised up Trump for this hour. **Isaiah 44:28; 45:1; Ezra 1:1-4**

It is obvious that Hillary Clinton is not walking with the Lord and fails to uphold the values of the Bible. **Matthew 7:15-20**

PROPHECY

Lots of people have received prophetic words about Trump – Mark Taylor received his back in 2011. Retired firefighter Taylor says he believes Trump was chosen by the Lord to save America from destruction.

Christians need to pray for Donald Trump's salvation. We must press in through prayer regardless what the mainstream media, the world government and all the other evil forces do.

It is time to flex our spiritual muscles and decree that God's directives will be carried out and that America will turn back to the Lord!

We are the last generation that knows the Lord. America will be destroyed go the way of Israel if we fail. The fervent prayer of a righteous man/woman avails much. Are you willing to do your part? **Psalms 2:1-12**
