### PART 17: REPLACEMENT THEOLOGY

#### KHAZAR JEWS IN ISRAEL

The Jewish leadership through the centuries has not outwardly discussed the issue of Khazar Jews among Gentiles and thus most Christians have never heard of the once mighty Khazar Empire that embraced Judaism.

This subject became a hot political issue once the Zionist movement came into being in the mid-1800s. In order to reclaim Palestine as a Jewish state, they needed the backing of the Christian community. If Christian Zionist leaders and their followers found out that more than half of the Jewish population today descended from the Khazars, it would cause a great theological problem, since they converted to Judaism long after the First Covenant ceased to exist and that are not blood descendants of Abraham. Here is what Rabbi Solomon Grayzel wrote about the matter:

“...Vague references to Jews, whose native language was Russian and who read their Bible in Russian, are to be found in the responsa (historical writings by rabbis) of the rabbis in Germany during the twelfth and thirteenth centuries. Whether they were the descendants of the Khazars or the Crimean Jews it is impossible to say. Probably they were a mixture of both. Nor does it make any difference, except to those who are more interested in fanciful theories of race than in matters of religion and humanity.”<sup>1</sup>

It is interesting Theodor Herzl, the founder of the World Zionist Organization, was born in Hungary and most likely was a descendant of the Khazars. All the founders of the political state of Israel were Khazar Jews, Zeev Jabotinsky (Ukraine), Joseph Trumpeldor (Russia), Pinhas Rutenberg (Russia), Chaim Weizmann (Russia), David Ben-Gurion (Poland), Menachem Begin (Russia), Shimon Peres (Poland) and Golda Meir (Ukraine).

The vast majority of the Jewish Zionists who worked to establish the political state of Israel was atheists and did not believe in the God of Abraham, Isaac and Jacob; instead, they believed that the land of Israel should be revered and considered holy.

The majority of Jews living in Israel today are the descendants of immigrants that came from Russia, Poland, Lithuania, Hungary, Romania, and Bulgaria. They are Gentiles who converted to Judaism. Does God have any special covenant with these Gentiles? No, he doesn't.

It is interesting that Jesus foretold Jerusalem would be trodden under foot by Gentiles.  
**Luke 21:24**

## **TRUE DESCENDANTS**

It is almost impossible to know who the true descendants of Abraham are today. Since God is the Creator of man, obviously He can determine who the true blood descendants of Abraham are when He brings back the children of Israel at the beginning of the thousand year kingdom. **Ezekiel 37:15-28**

Any Christian who claims to be a Christian Zionist is actually supporting Satan. That may seem harsh but examine the evidence. The political state of Israel was created by ungodly men, steeped in the Kabbalah, trying to usher in their own messiah. They have rejected Jesus Christ but they will receive Satan's messiah. **Mark 15:1-14; 1 John 4:1-3**

## **THE CHURCH IS NOW ISRAEL**

The apostle Paul makes it clear that you are not automatically a child of God just because you come from one of the tribes of Israel. **Romans 9:6-9**

The apostle Peter corroborated that believers in Christ, whether Jew and Gentile, are the church of the first born. **1 Peter 2:1-10**

Jews and Christian Zionists are incensed over this issue and call this replacement theology. They are correct; the First Covenant has been replaced with the Second Covenant. **Hebrews 8:7-13**

Jews and Christian Zionists have not correctly understood that the Land Covenant with Israel is not synonymous with the First Covenant. The Land Covenant was made between Abraham and God. **Genesis 12:7**

## **THE LAND COVENANT**

The Land Covenant was predicated upon performance by the people of Israel. **Deuteronomy 19:8-9**

If the people of Israel did not keep their part of the First Covenant, they would lose claim to the land and be kicked out. **Deuteronomy 28:63-68**

The Ten Northern tribes lost their portion of the Promised Land in 721 B.C. The tribes of Judah and Benjamin lost their portion of the Promised Land in 587 B.C.

The Land Covenant will not be restored until the time of the 1,000 year kingdom. **Ezekiel 37:21-25**
