WEEKLY WEBCAST

Sunday 9:00 AM PST

We are a Bible centered group of believers who desire to grow in the full knowledge of Jesus Christ without compromise to His Word.

Jesus called his disciples to be salt and light. Salt is a preservative but it is also something that adds savor and enjoyment to our daily food. Light is a symbol of truth; it is comforting, penetrating, guiding and exposes darkness. We seek to preserve biblical truth and shed the glorious light of the Gospel in a world that is consumed by darkness.

THE CORNER

Dear Friends,

Have you ever had a bad day and wished that you could be taken to heaven and have a talk with Jesus to find answers to all your questions? There have been many nights when I have prayed and asked God to allow me a two-way ticket to heaven, so that I could get the answer to my problem and come back. I often remind God that He has done this for many people. Enoch who made several trips to heaven before God permanently kept him there but there has been no trip for me so far.

Life has been emotionally hard since we were forced to close down Resurrection Life of Jesus Church due to lack of interest by the members. This necessitated moving out of the building and relocating our equipment to the production center of EAEC. Incidentally, we have been working diligently on the new studio and are in the process of setting up the equipment. Sadly, the majority of the church membership did not consider that we owed rent on the church facility and I was one left holding the bag to make sure that the landlord is paid.

I thought there couldn't be any more blows from the Devil with the destruction of the church ministry. European American Evangelistic Crusades (EAEC) was still intact and we would continue the work of God despite this setback. Then I received an email that a key officer of EAEC was resigning due to personal reasons. This hurt a lot because we were already shorthanded and the responsibilities of this person will have to be covered by someone else for the time being. Nevertheless, God is in control and there is no crisis in heaven. The same day we received a letter in the mail from a medical missionary who is struggling to pay just her own bills but had decided to send a gift to the ministry. The accompanying letter made an impact on me and I want to share it with you:

Dear Rev. Torell,

Please find enclosed a gift from the Lord to your ministry. This is certainly the have-nots sharing with those in need.

I sense that the Lord wants to convey two messages to you with this gift.

1. *That he loves you very much and is with you despite the horrible downturns that seem so to regularly arrive, and I suppose we could look at these as back-handed compliments since adversity generally only comes like this to those who are about the Father's business.*

2. *A word of caution, you are far from retirement from the Lord's service, but he wants you to "retire" the stubbornness. Don't be afraid of a mistake; allow Him to completely guide you. He wants you to become His friend, not just his disciple; which means to be willing to walk through things that can be fearful to us - and for each it's different. The end result is total and complete confidence in Him and His sovereign ways. It took the 2010 earthquake to finally convince me, I hope it won't be that to you! The Lord's richest blessing to you and for your ministry."*

As I re-read this letter, I realized that for some 44 years, I have preached the love of God and His care for people, but never stopped to look at myself. This prophetic message was correct; I had not been able to fully receive the love of God and I certainly did not consider that I could be His friend. I felt like a failure since I wasn't able to rescue Resurrection Life of Jesus Church. So yes, I was being stubborn in my refusal to let go, and when the church died, part of me died also. I had already forgotten that God had specifically told me in January this year that I was no longer to pastor the church because He wanted me to invest all my time to a worldwide internet ministry. I was guilty of trying to eat the cake and saving some of it at the same time.

I have peace now as I let go of my personal efforts to work in the ministry. It is up to God to develop and keep it alive. The apostle Paul tells us in first Corinthians chapter twelve that all Christians are members of Christ's body and that all parts are important. (1 Cor. 12:12-26) No individual, church or mission organization can claim a monopoly on representing God to the world. It is Christ who possesses us and each believer in Christ is like an individual cell in a human body. Some cells make up the brain, others a hand or the colon, but Christ is the head. The body of Christ is not made for the believers, just like a human body is not made for the cells. The body of Christ is made for Jesus to dwell in and do His work on this earth. A human body is made up of trillions of cells, some live only two days while others can live up to 30 years. I realize that in a mission organization like EAEC, there will be those who stay for a long time and there are those who will leave early. God will fill the need and bring in others who can help in the work that Jesus has called us to do. Praise the Lord!

Yours in Christ,

John S. Torell

DEPARTMENT OF HOMELAND SECURITY

JOHN S. TORELL

The other day I ran across a copy of a newsletter article that I had written in 2004 and became very disturbed over what I had predicted seven years ago. In this article, I had projected myself to the year 2030 and how the United States would look at that time. Unfortunately, what I wrote is too close for comfort and we are now about halfway to the point of no return. In order to refresh you and to inform new readers of what I wrote, we are including that article in this publication.

EDUCATION

In order to understand who rules a nation, I want to share the following information with you. The top leadership people in politics, business, industry, education, the armed forces and the medical field have always been and always will be in the range of 40 to 65 years of age. This is the ***ruling generation***. People in the range of 30 to 40 years of age have worked themselves up into middle management positions and are the ***upcoming generation***. People in the age group 18-30 are being educated and trained to enter the chain of command and can be described as the ***future generation***.

The current ruling generation grew up with the Beatles followed by punk rock, and heavy metal music groups. The younger people in this group are the children of the hippies, like Barrack Obama and Vietnam veterans. The oldest in the current ruling generation turned 20 years old in 1968. Thus we can see that the older people in this group lived during the end of the hippie age and the Vietnam War; they were exposed to immoral living, sex, drugs and rock-n-roll.

There were violent protests in the United States against the Vietnam War and most college students were involved in this from 1968 to 1975. The American flag was desecrated and the liberal teachers, from high school to the universities, poisoned their students with anti-American feelings and a hate for the establishment. Communism was hailed as a better

system than the capitalistic system and black Americans were riled up and taught to hate white people.

While these people were in public school, prayer and Bible reading had been ruled unconstitutional in public schools, and by 1973, the Supreme Court ruled that babies could be killed in their mother's wombs.

President Nixon was forced out of office due to dirty politics and President Carter led the nation into a depression and loss of confidence.

The current ruling generation is in charge of the White House, the Senate, the House of Representatives and the Supreme Court. They are the state governors and legislators, judges, doctors, teachers, etc. Many of them are hell-bent on destroying this nation and forcing Americans to surrender their national rights to the United Nations and later to a World Government.

There is another factor that has an enormous influence on the ruling generation and that is that at least a million of them are members of different secret societies like the Freemasons, Odd Fellows, Skull and Bones, Knights of Columbus, etc. It is in the secret societies that they worship Lucifer and given their marching orders from the secret World Government.

Additionally, thousands of these individuals in the top leadership are also members in world government organizations like the Bilderbergers, the Council on Foreign Relations and the Trilateral Commission.

About half of the adult American population sides with the socialistic program of the Democratic Party while the other half opposes it. We are now in a war over the American soul.

The upcoming generation of men and women between the ages of 30 to 40 years old are in a worse condition than the ruling generation. Once they take over the leadership in this nation, they will finish the destruction of America, unless they can be reached with the Gospel and be re-educated. Pastor Rick

Warren belongs to this generation and has done his best to destroy the Southern Baptist Convention and many churches have fallen under his spell.

People in the upcoming generation are the teachers in our public schools and colleges. They have been trained to reject the Constitution, embrace homosexuality as an alternative lifestyle and accept homosexual marriages. They are going to produce another hell generation of Americans which will have very little biblical morality. It will be a generation of liars and perverts that God will hate with a passion.

“And also all that generation were gathered unto their fathers: and there arose another generation after them, which knew not the LORD, nor yet the works which he had done for Israel.

And the children of Israel did evil in the sight of the LORD, and served Baalim: And they forsook the LORD God of their fathers, which brought them out of the land of Egypt, and followed other gods, of the gods of the people that were round about them, and bowed themselves unto them, and provoked the LORD to anger.

And they forsook the LORD, and served Baal and Ashtaroth. And the anger of the LORD was hot against Israel, and he delivered them into the hands of spoilers that spoiled them, and he sold them into the hands of their enemies round about, so that they could not any longer stand before their enemies. Whithersoever they went out, the hand of the LORD was against them for evil, as the LORD had said, and as the LORD had sworn unto them: and they were greatly distressed.” (Judges 2:10-15)

The uneducated masses in the United States have been dumbed down from a daily diet of trash television entertainment, perverse movies, secular music and sports events. If you want to know what many American women think and care about, all you have to do is to look at the magazines sold at the supermarkets. The poor who struggle to survive are lured into gambling and the state run lotteries are nothing but a hidden tax on the poor.

Homosexuality is growing by leaps and bounds and the pressure is on to legalize homosexual marriages.

America has lost its spiritual mooring and is adrift in the filthy ocean of sin. Satan is mocking America and the demons are having a heyday.

THE ASSAULT ON THE AMERICAN PEOPLE

The American people are like a drunken person who is staggering around and trying to find his bearing. The Obama administration, which is totally controlled by the sinister forces of a hidden World Government, is going all the way to disarm the American people and to make sure that there won't be armed resistance to the plan of destroying our nation. It is called **gun control**.

In this article I will limit myself to the U.S. Government arming itself while they try to disarm the American people.

U.S. DEPARTMENT OF HOMELAND SECURITY (DHS)

President George W. Bush created the Department of Homeland Security (DHS) after the 9/11 attack it was solidified in 2003. It consists of 187 federal agencies and departments. The CIA and the FBI are not part of this department but there is cooperation between all the agencies.

The most frightening tool in the hands of the government is the Patriot Act, which was signed into law by President Bush on October 26, 2001. On May 26, 2011 Barack Obama signed an extension, which meant that roving wiretaps, searching of business and banking records and surveillance of individuals who are suspected of terrorism will continue.

What most Americans have not understood is that every bank clerk in the United States is an agent for the Department of Homeland Security. If you want to open a checking account or any other bank account in the United States, the bank clerk will fill out a special form that includes all kinds of private information that is then submitted to the DHS, which has a file on every American who has a social security number. Purchasing a home, car, motorcycle, boat or an airplane is all reported to the DHS. Every bank teller is under orders to make sure that all checks are legal, and if someone tries to cash a check under another name, they have to report this to the DHS. All wire transfers in and out of the United States is reported to the DHS. If you deposit or withdraw \$5,000 or more

from the bank, it has to be reported to the DHS. Any bank failing to fulfill all the requirements will be fined by the DHS.

The Post Office has to collect addresses and phone numbers for every individual who rents a post office box and submit this information to the DHS. All criminal data is stored in a national database system, which will have records of all arrests and court sentences. It used to be that the FBI had a national database of fingerprints; this has now been extended to include DNA as well. Every arrested person who is taken to jail has to give a DNA sample, which is then sent to the national database. Every prisoner in U.S. has been forced to submit a DNA sample, which is also sent to the same national database. Even those in the military have to give a DNA sample.

Thus a large percentage of the American people have either submitted a fingerprint (remember that the DMV requires a fingerprint) or DNA to the database. If you want to travel overseas, you need a passport, and that information is reported to the DHS. During the ten years that the DHS has been in existence, just about every American has been recorded in their database, and if they suspect that you might be a terrorist or a threat to the government, they can put you under surveillance without going to a court. DHS also has the legal right to arrest any person they suspect or claim is a threat to the United States and hold you for an undetermined amount of time; they don't have to file charges or even go before a judge.

It should also be noted that all manufacturers of substances that can be used in making bombs or firearms are obligated to report all sales to the DHS. Thus when a farmer is purchasing a load of fertilizer, that action is reported to the DHS.

I recently spoke with a man working in military intelligence who informed me that his unit had been briefed on new security procedures and that he was ordered to report any contact with a person who is a foreigner.

The FBI has been using what is called a "National Security Letter" that has been sent to telephone companies, cell phone providers and even Google. In the letter they name a person or company they want more information about. In doing so, they have bypassed judges, and in the name of national security,

they have extracted information about tens of thousands of American citizens. The telephone company and all others are told that if they leak information about the FBI extracting information on an individual, the FBI will prosecute individuals working for that company.

TRACKING

Never in the history of man have people been tracked so much by a government as the American people. All of us like to use our cell phones and there was no tracking in the early days of cell phone use. As of 2013, every cell phone is tracked by the hosting company and there is a sophisticated computer system set up so that any time a cell phone is turned on, the company can pinpoint its location.

More and more people are using GPS systems in their vehicles, and if you have ever used one, you know how accurately the system works. If you turn the wrong way at an intersection, the system knows right away and will redirect you. Thus if the FBI or some other government intelligence service is looking for you, all they have to do is to contact your cell phone provider or GPS company and ask for your location.

All telephone calls in the United States are routed through the ECHELON computers of the National Security Agency (NSA) in which special software is programmed to look at each phone call, and if certain words are used by the caller, the computer will record the call and send it to a human intelligence operator who will listen to it and determine if you are a terrorist.

If you think that your e-mails are secure you are in for a rude awakening. The same system is set up for all e-mails, not only in the United States but the whole world.

It is getting worse. Every credit card company builds a profile on each customer and every transaction is recorded. The credit card company will then sell your profile to other merchants, and since they know what you eat, what kind of car you drive, what kind of clothing you buy and your entertainment preferences, they will send you specially targeted advertisements which I am sure you have discovered. These files are open to the FBI and CIA, and if you have drawn attention to yourself, these files will be

requested and added to the file that the government is building on you.

The IRS has files on every person with a social security number. Once you start working and paying taxes, you must also file a tax return every year. These files are also made accessible to the FBI and CIA.

With Obamacare in place, all medical records are not only stored at the hospital or clinic where you were treated, but they are also available to the FBI and CIA through an online database.

If you possess a fishing or hunting license, a concealed weapon permit or if you purchase a gun from a licensed gun dealer, it is all stored in your file at the national database. The department of motor vehicles in each state must also share their data with the federal government.

Google, the company whose name has become synonymous with search, is also part of the surveillance system. Almost every street and house in the United States has been photographed so that all you have to do is to search an address and it is possible to instantly see a satellite view of the area along with photos of the street view. You can even see a person's backyard and travel up and down a street from your computer or smartphone.

A private person can only view a low resolution image of a dwelling place while the government has no such limit, and in conjunction with high resolution satellites, view images of high quality. Since the government knows your name, address and phone numbers, it is not difficult to sit in an office and scour your dwelling place and look for suspicious activities.

In fact, county and city building departments are using Google to find out if there have been illegal buildings erected. They no longer have to send out an inspector, they can check it from their office, and if they find something suspicious, an inspector is sent out.

More and more cities are setting up surveillance cameras, and if you want to find out how effective they are, just look at the aftermath of the bombing at the Boston Marathon on April 15, 2013. It only took the investigators two days to look over all the footage and find the persons responsible for planting the bombs. It was just a matter of time before they were identified. Stores, schools, factories and private businesses are all

setting up surveillance cameras and if something happens in a neighborhood, the police will sometimes try to confiscate the video recordings from these cameras without a warrant.

The government knows how many miles you drive per year by looking at the fuel you purchased on your credit card. You can only stop them from knowing your driving habits by using cash.

All utility companies have computer records on you and that is accessible by the government.

Thus, you can see there is no freedom any longer in the United States of America; we are a highly controlled society. The time will come when the government will require you to have a special gadget implanted under the skin of your right hand or in your forehead. You should understand by now that the government has the technical system in place to block you from buying or selling. It is amazing that Jesus predicted this very thing some 1,900 years ago:

“And he exerciseth all the power of the first beast before him, and causeth the earth and them which dwell therein to worship the first beast, whose deadly wound was healed.

And he doeth great wonders, so that he maketh fire come down from heaven on the earth in the sight of men, And deceiveth them that dwell on the earth by the means of those miracles which he had power to do in the sight of the beast; saying to them that dwell on the earth, that they should make an image to the beast, which had the wound by a sword, and did live.

And he had power to give life unto the image of the beast, that the image of the beast should both speak, and cause that as many as would not worship the image of the beast should be killed.

And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads:

And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name.

Here is wisdom. Let him that hath understanding count the number of the beast: for it is the number of a

man; and his number is Six hundred threescore and six.”
(Revelation 13:12-18)

The 9/11 attack gave the government of the United States the excuse it needed to create the Department of Homeland Security and craft the Patriot Act. The American people were told this was done to protect us from foreign terrorists, but twelve years later we see that instead of looking out for foreign terrorists, the government has used it to build a national data base on every American citizen.

THE SECOND AMENDMENT

The Second Amendment is a major hindrance for the globalists and they hate it with a passion. No other nation in the world gives its citizens the right to bear arms. And as long as Americans have arms, it will be hard to pull the trap shut and bring us into bondage to a World Government. However, trying to repeal the Second Amendment would start a second civil war.

Only once has the president and Senate been able to repeal an amendment and that was the 18th Amendment that outlawed the production and sale of alcohol in the United States. The 18th Amendment was proposed by the Senate in 1917 and ratified two years later by 36 states, becoming law in 1920.

The Temperance movement to outlaw alcohol was led by the fiery evangelist, Billy Sunday and most of the American protestant churches. It was the Democratic Party under the leadership of President Roosevelt that pushed hard to repeal it by having the Senate propose the 21st Amendment that would repeal the 18th Amendment. With the backing of the powerful alcohol producers like the Kennedy family and the Canadian Jewish Bronfman family, who in their turn had the backing of the entire American Jewish banking system, were they able to convince enough voters in the necessary states to ratify it by 1933.

The leaders of the Democratic Party recognized after the repeal of the 18th Amendment that they must undermine the constitution and consequently set their eyes upon the Supreme Court, which in 1935 made a sweeping ruling that all rulings prior to 1935 were declared invalid. Thus when a case is argued before the Supreme Court today, no attorney can cite a case prior to 1935. In one stroke, some of the most solid rulings of the Supreme Court can no longer be referenced. Very few Americans know about this and it is not taught in public schools.

A federal agent from the DHS, the FBI, the CIA, etc., has the ability to sit down in an office at any time and review the personal files of any American that piques their interest. If you are a Christian, they will know what church you attend, how often you attend, how much you give and who you fellowship with in the church. An agent can determine how dedicated you are by looking at tithing and attendance records, including the kind of Christian literature you purchase and if you support mission organizations, etc.

Through credit card usage, they can determine if you are involved in pornography, and if you visit porn sites on the Internet it will show up on your personal data file.

The question that each Christian should ask them self is this: ***If Christianity will be outlawed sometime in the future, is there enough evidence for the government to convict you and send you to prison or execute you?***

“Whosoever therefore shall confess me before men, him will I confess also before my Father which is in heaven. But whosoever shall deny me before men, him will I also deny before my Father which is in heaven.”
(Matthew 10:32-33)

WHY IS THE DHS ARMING ITSELF?

The Department of Homeland Security is not part of the military establishment; instead, it is a federal civilian security organization that was instituted to make sure that America is safe from terrorist acts. I

began to receive information early in 2013 that the DHS was arming itself and had stockpiled 1.3 billion of rounds of ammunition. At first I dismissed the reports, thinking that it was just something that Internet bloggers were making up to attract attention to themselves. But then came the shocking admission from the DHS that it was purchasing large amounts of ammunition and I realized that the reports were true.

In order for you to understand just how much ammunition the DHS has accumulated, the U.S. Army was using 6 million rounds per month at the height of the second gulf war. With 1.3 billion rounds, if the DHS got into a shooting war with someone, they could wage war for 22 years. According to DHS information, the agency is using 15 million rounds of ammunition per year at their various training facilities. With their current stockpile of ammunition, their supplies will last for 106 years.

But there is more bad news. The DHS purchased 2,717 Mine Resistant Protected armored vehicles for deployment in the United States early in 2013. Similar vehicles like these have been used by the U.S. Army in Iraq and Afghanistan. These armored vehicles have gun ports and are designed for urban warfare. Which begs the question, who is the DHS going to fight in our nation?

Additionally, the DHS has ordered the purchase of \$50 million worth of new uniforms. This will be enough to equip hundreds of thousands of new DHS agents. The DHS is no longer a security organization; it has become an "illegal army" stationed in the United States.

In their buying spree, the DHS has also put in a purchase order for 7,000 "personal defense weapons" that shoot 5.56mm NATO ammunition, equipped with 30 round magazines and have fire select capability (single shot, three round burst, full auto). Another name for this type of weapon is the so-called "assault rifle." These are the very weapons that Obama and his ilk are trying to outlaw in the United States. Who are

the DHS agents planning to fight with these military style rifles?

The DHS is also in the process of buying 450 million rounds of hollow point ammunition. These kinds of bullets have been outlawed in warfare according to the Geneva Convention that governs nations in their waging of wars. A hollow point is devastating for the human body since it enters with a small hole, but once inside the body, it tears the flesh apart and leaves a large gaping wound when the bullet exits. Who are the DHS agents going to kill with these outlawed bullets?

So far there have only been two congressmen who were brave enough to ask questions about this matter. Congressman Leonard Lance (R) from New Jersey and Congressman Timothy Huelskamp (R) from Kansas. With all the discussion about gun control, why are there not more senators and congressmen investigating these purchases? It's not like they don't know about these matters but they are deliberately ignoring it! Why is the rest of Congress avoiding this discussion and is somebody telling them not to get involved?

HOW THE DHS MARKETS ITSELF

The Department of Homeland Security, like all other government agencies, has its own website. In April of 2013, it created a page called, "A Day in the Life of Homeland Security." Here is a partial list of what they want you to know about their daily activities:

- Pre-screen 2 million passengers
- Screen 1.8 million passengers for explosives and prohibited items at 448 airports
- Perform 200 inspections of air carriers and airports infrastructure
- Screen 100% of cargo and vehicles entering the U.S. from Canada and Mexico
- Patrol 3.4 million square miles of U.S. waterways

- Seize 19,040 lbs of drugs at/near U.S. ports of entry
- Train 350 members of law enforcement, faith-based, academic and private sector communities to respond to active shooter scenarios
- Train 5,880 federal, state and local emergency management personnel
- Train 2,100 officers and agents from 90+ federal agencies as well as 125 international, state and local officers and agents
- Engage the public through “If You See Something, Say Something.”¹

Missing from this list was the following:

1. Training of DHS agents in the operation of armored vehicles for urban warfare.
2. Training new recruits to track down civilians, arrest them and take them to detention camps.

DISARMING AMERICAN VETERANS

By now you must have come to the conclusion that the American government is preparing to go to war with its own people. Obama lost his gun control program in the Senate on April 17, 2013, despite gathering the parents of the slain children of Sandy Hook, including ex-congresswoman Gabrielle Gifford at news conferences. It is clear to the World Government leaders behind Obama that they are not going to be able to disarm the American people through gun control at this point. As a result, they will have to stage more horrific mass killings and wait for the children, who are now in the age range of 14-17, to become eligible voters to swing the pendulum to their side.

They also know that if there is an attempt to repeal the Second Amendment, there will be more than civil unrest in the United States; it will be an uprising that will dwarf what happened in 1776. There are millions of ex-military in the United States and large numbers of them do not favor Obama’s policies. If they side with

civilians in an armed uprising, it will give the American people much strength, since they are trained in waging war. The World Government is aware of this potential danger to their plans and gave orders for Obama to fix it, who in turn passed on orders to the Veterans Administration (VA). The VA, using the aforementioned national database, has identified possible veterans that will take up arms against the government. Letters by the thousands have been sent out telling these men and women that they are not competent to possess firearms and that they will be prosecuted if they do not give up their guns. Here is a portion of the letter that was sent out:

“A determination of incompetency will prohibit you from purchasing, possessing, receiving, or transporting a firearm or ammunition. If you knowingly violate any of these prohibitions, you may be fined, imprisoned, or both, pursuant to the Brady Handgun Violence Prevention Act, Pub.L.No. 103-159, as implemented at 18, United States Code 924(a)(2).”²

RESPONSE FROM A RETIRED ARMY CAPTAIN

On March 21, 2013, retired U.S. Army Captain Terry M. Hestilow went public and issued a warning to the American people. Captain Hestilow is a combat veteran having served first in Vietnam and later in Afghanistan. He posted this warning on his Facebook page:

“I fully intend to address this in far greater detail within days, but ask yourself, with all the law enforcement available in the United States, who is the DHS is preparing to declare war on inside the U.S.?”

*“With the massive purchases of almost 3,000 new armored vehicles (MRAPs) and 1.6 BILLION rounds of ammunition, with associated weapons, **who in the U.S. do they intend to kill? Short answer: You and me!** Anyone they think is standing in their way to impose a new Marxist government! Anyone who stands for the U.S. Constitution!”*

¹ www.dhs.gov/day-life-dhs

² <http://tinyurl.com/veterans-letter>

*“We must demand that our representatives (Senators and U.S. Representatives) stand firm and immediately force, by law if necessary, the DHS turn over their arsenal of war making equipment to the Department of Defense. Nothing justifies this massive arms buildup of an agency whose jurisdiction is internal within the United States of America! **They are preparing to go to war against American citizens!**”*

*Don't wait on people like John McCain or Lindsey Graham to recognize the threat! Citizens you must demand Congress act to force these weapons, ammunition, and armored vehicles be turned over immediately to the DoD! Then let us **dissolve the DHS (or SA, or SS... whatever you call them)!***

*Hear me, America. The DHS can only be preparing to declare war on us with the arsenal of weapons and equipment they are purchasing as they methodically dismantle our legitimate military made up of patriotic Americans! **If I live** and still have a page to speak out on later this week, I will discuss a proper Constitutional response in a couple of days. Standby. Out.”³*

Of course, this comes on the heels of the news that DHS is purchasing 2,717 Mine Resistant Protected vehicles for urban use. In light of the Obama administration's push for gun-grabbing legislation, a flurry of “multi-agency training drills” inside our cities and towns, the dismissal of several well-respected military leaders and the purchase of urban tanks, along with 2 billion rounds of ammunition, one need not be a conspiracy theorist to be genuinely concerned about the imminent threat to our freedoms, as well as to our very lives.

MILITARY INTERNMENT CAMPS IN THE U.S.?

There is a training manual prepared by the U.S. Army that was released to military commanders in February, 2010. This particular document is labeled U.S. Army Document FM3-39.40 and it outlines how American citizens are to be detained and placed in indoctrination camps, where they are to be re-

educated to become politically correct. This is nothing new since brainwashing camps have been used for centuries and the Soviet Union perfected the system. The communists in China have used it since 1949. American prisoners of war in the Korean War (1950-53) endured the same tactic. The United States did it in Vietnam, and when Vietnam fell to the communists in 1975, all people in Vietnam who had worked for the Americans were sent to re-education camps. Those who failed to become re-educated were executed.

“The document makes it clear that the policies apply ‘within U.S. territory’ and involve, ‘DOD support to U.S. civil authorities for domestic emergencies, and for designated law enforcement and other activities,’ including ‘man-made disasters, accidents, terrorist attacks and incidents in the U.S. and its territories.’

The manual states, ‘These operations may be performed as domestic civil support operations,’ and adds that, ‘The authority to approve resettlement such operations within U.S. territories,’ would require a ‘special exception’ to The Posse Comitatus Act, which can be obtained by ‘the President invoking his executive authority.’ The document also makes reference to identifying detainees using their ‘social security number.’

Once the detainees have been processed into the internment camp, the manual explains how they will be ‘indoctrinated,’ with a particular focus on targeting political dissidents, and getting them to express support for U.S. policies.

The re-education process is the responsibility of the ‘Psychological Operations Officer,’ whose job it is to design ‘PSYOP products that are designed to pacify and acclimate detainees or DC’s to accept U.S. I/R facility authority and regulations,’ according to the document.

The document further states that the PSYOP teams will conduct the following duties:

- *Identifies malcontents, trained agitators, and political leaders within the facility who may try to organize resistance or create disturbances.*

³ www.facebook.com/terryhestilow

- *Develop and execute indoctrination programs to reduce or remove antagonistic attitudes.*
- *Identify political activists*
- *Provide loudspeaker support (such as administrative announcements and facility instructions when necessary)*
- *Help the military police commander control detainee and DC populations during emergencies.*
- *Plan and execute a PSYOP program that produces an understanding and appreciation of U.S. policies and actions.*

Remember, this is not restricted to insurgents in Iraq who are detained in prison camps – the manual makes it clear that the policies also apply ‘within U.S. territory’ under the auspices of the DHS and FEMA. The document adds that, ‘Resettlement operations may require large groups of civilians to be quartered temporarily (less than 6 months) or semi permanently (more than 6 months).’

In 2009, a disturbing ad began appearing on internet employment sites, the ad in question was placed by the National Guard. Here is the ad as it appeared:

“Correction Officer Internment / Resettlement Specialist”

‘As an Internment/Resettlement Specialist for the Army National Guard, you will ensure the smooth running of military confinement/correctional facility or detention/internment facility, similar to those duties conducted by civilian Corrections Officers. This will require you to know proper procedures and military law; and have the ability to think quickly in high-stress situations. Specific duties may include assisting with supervision and management operations; providing facility security; providing custody, control, supervision, and escort; and counseling individual prisoners in rehabilitative programs.’

So, now we know why the National Guard has been hiring ‘Internment/Resettlement Specialists.’”⁴

END OF QUOTE

It is important to know that the government of the United States has been involved in many shameful acts in the past. We must not forget the treatment of Native American Indians during the 19th century. In those days it wasn’t a “concentration camp” but an “Indian reservation.” The Indian Removal Act of 1830 forced hundreds of thousands of Indians from different tribes to relocate under the harsh supervision of the U.S. Army and this mass deportation became known as the “Trail of Tears.” In 1941, the government issued a decree that all people of Japanese and Italian descent living in California were to be placed in internment camps until World War II was over. Tens of thousands of Japanese-Americans, most of them American citizens, lost their homes, farms and businesses and were imprisoned for more than four years. There was no compensation for them after the war was over.

PURGING THE MILITARY

During his time in office, Obama has quietly worked to promote homosexual officers in the military as quickly as possible. His goal is to amass a large number of generals and admirals who are homosexuals, since they have a natural hatred for Christians and will not hesitate to wage war on the American people. Another effort by Obama has been to purge the officer corps, which still believe in the Constitution of the United States. Letters have been sent to all high ranking officers in all the military branches asking them if they would have a problem ordering their troops to shoot civilians should an uprising occur. Those who responded negatively have been forced to retire. A number of high ranking generals and admirals have been forced out the last

year and this is not a good sign for the American people.

The American Family Association released an alert that the United States Army has blocked the website of the Southern Baptist Convention from government computer.

“The Army was quoted as saying the Christian site contains ‘hostile content.’ An Army officer assigned to a U.S. base said he tried to access SBC.net from his government computer, but instead, he got a message that said the site was being blocked by ‘Team CONUS.’ Team CONUS protects the computer network of the Department of Defense.

So the Southern Baptist Convention is now considered hostile to the U.S. Army? This is just another example of the Christian faith coming under attack in the military. Earlier this month, an Army email listed prominent Christian ministries like the Family Research Council and American Family Association as ‘domestic hate groups.’”⁵

However, there was such an outcry from the Christian community, that within a couple weeks, the Pentagon said it had resolved the reasons for blocking the Southern Baptist Convention website from military computers, saying the block was a matter of website security and not an infringement on religious liberty.

“In this case, security systems performed as expected in detecting a threat to DoD (Department of Defense) networks,’ Lt. Col. Damien Pickart said in a prepared statement. ‘We determined that our web filters recently detected malware at the SBC website, which resulted in the block for some service members,’ Pickart said. ‘The department has verified that the Southern Baptist Convention website no longer contains malware that may pose a threat to our networks and will be unblocked today.’

Pickart added the block did not have anything to do with the ‘hostile’ or religious content. ‘The Department

of Defense strongly supports the religious rights of service members, to include their ability to access religious websites like that of the SBC,’ he said.”⁶

WHAT CAN WE EXPECT?

Americans who are not Christians believe that this is a fight over ideologies: socialism versus capitalism. This is true to a degree, but it goes much deeper than that. This is a battle between good and evil and the beginning of the formation of a World Government and the abolition of all nations. Only a Bible believing Christian can understand the conflict we are in, because Jesus forewarned us about it some 1,900 years ago. Thus the Christian will know that in time, the United States will be dissolved to make room for a world ruler, that the Bible calls the Beast, the Man of Sin and the Antichrist. God’s Word cannot be broken and thus we have to resign to the fact that God is going to allow this to happen. We don’t know when this will take place and the Devil is trying to do his best to speed up his plans but God did not tell us to surrender to the Antichrist system and therefore wants us to fight to the very end.

“And I stood upon the sand of the sea, and saw a beast rise up out of the sea, having seven heads and ten horns, and upon his horns ten crowns, and upon his heads the name of blasphemy.

And the beast which I saw was like unto a leopard, and his feet were as the feet of a bear, and his mouth as the mouth of a lion: and the dragon gave him his power, and his seat, and great authority.

And I saw one of his heads as it were wounded to death; and his deadly wound was healed: and all the world wondered after the beast.

And they worshipped the dragon which gave power unto the beast: and they worshipped the beast, saying, Who is like unto the beast? who is able to make war with him?

And there was given unto him a mouth speaking great things and blasphemies; and power was given unto him to continue forty and two months. And he opened his mouth in blasphemy against God, to blaspheme his name, and his tabernacle, and them that dwell in heaven.

And it was given unto him to make war with the saints, and to overcome them: and power was given him over all kindreds, and tongues, and nations. And all that dwell upon the earth shall worship him, whose names are not written in the book of life of the Lamb slain from the foundation of the world. If any man have an ear, let him hear.” (Revelation 13:1-9)

GOOD NEWS

God still has a remnant left in America who has not bowed their knees to “Baal Obama” and the Democratic Party. The prophet Elijah cried out to the Lord and lamented that he was the only one left in Israel who had refused to worship Baal. Then God told him that there were still 7,000 men left who had not bowed their knees to Baal.

“And it was so, when Elijah heard it, that he wrapped his face in his mantle, and went out, and stood in the entering in of the cave. And, behold, there came a voice unto him, and said, What doest thou here, Elijah?

And he said, I have been very jealous for the LORD God of hosts: because the children of Israel have forsaken thy covenant, thrown down thine altars, and slain thy prophets with the sword; and I, even I only, am left; and they seek my life, to take it away.

And the LORD said unto him, Go, return on thy way to the wilderness of Damascus: and when thou comest, anoint Hazael to be king over Syria: And Jehu the son of Nimshi shalt thou anoint to be king over Israel: and Elisha the son of Shaphat of Abelmeholah shalt thou anoint to be prophet in thy room. And it shall come to pass, that him that escapeth the sword of Hazael shall Jehu slay: and him that escapeth from the sword of Jehu shall Elisha slay.

Yet I have left me seven thousand in Israel, all the knees which have not bowed unto Baal, and every mouth which hath not kissed him.” (1 Kings 19:13-18)

We must not forget that God is still on His throne, there is no crisis in heaven and God has a solution to every problem we face on this earth. God is still Almighty and He has control over Satan, all his fallen angels, all the evil men on this earth, including Obama and his cronies in the Democratic Party. Look at these Bible verses:

“Why do the heathen rage, and the people imagine a vain thing? The kings of the earth set themselves, and the rulers take counsel together, against the LORD, and against his anointed, saying, Let us break their bands asunder, and cast away their cords from us.

He that sitteth in the heavens shall laugh: the Lord shall have them in derision. Then shall he speak unto them in his wrath, and vex them in his sore displeasure.

Yet have I set my king upon my holy hill of Zion. I will declare the decree: the LORD hath said unto me, Thou art my Son; this day have I begotten thee.

Ask of me, and I shall give thee the heathen for thine inheritance, and the uttermost parts of the earth for thy possession.

Thou shalt break them with a rod of iron; thou shalt dash them in pieces like a potter’s vessel.

Be wise now therefore, O ye kings: be instructed, ye judges of the earth. Serve the LORD with fear, and rejoice with trembling. Kiss the Son, lest he be angry, and ye perish from the way, when his wrath is kindled but a little.

Blessed are all they that put their trust in him.” (Psalms 2:1-12)

God still has faithful believers in America and you will find most of them in conservative Baptist and Pentecostal churches. There are also thousands of independent conservative churches who preach the true Gospel of the Bible. There are still some great

evangelists and preachers on television and radio and let's not forget the Christian influence on the Internet. Many of the pastors are calling their people to prayer and fasting for this nation and that is the key if we are going to see a change in our nation. As an individual, this is what you can do:

1. If you aren't serving God in every respect, rededicate your life and completely surrender your life to Christ.
2. Pray on a daily basis for God to send a revival/awakening to the people in America.
3. If you are not in fellowship with other believers, seek out those who you can fellowship with where you live. Try to establish weekly prayer meetings and make it a daily routine to witness to people about Christ.
4. Get educated about what the people in the World Government have done. A good place to start is the six booklets I have written in *The Kabbalah Series*. They will take you back to King Solomon, who lived 900 years before Christ and was the person responsible for developing the Kabbalah into the religion of the Antichrist system. Then you are taken forward in time and shown how people for the last 2,900 years have worked to bring the world under the power of Lucifer. Once you have read these books, you will have a clear understanding why things are the way they are today and you will be able to discern what is going to happen in the future.
5. Once you have educated yourself, it is time to start sharing your knowledge with as many people as you can to wake them up before it's too late. Share Christ with those around you if they are not saved. If I can reach you with this newsletter and you in turn reach two other people, the truth will propagate very quickly and in no time we will have reached thousands of people.
6. Use the Internet and e-mail all the people you know a link of this newsletter. If you have a

Facebook account, start sharing it there as well. If you have a blog or a website, post it there too. A dedicated effort will help the message go viral.

7. Find out when your local Tea Party meets in your community and start attending their meetings. Become active and share with Tea Party leaders of the need for people to come to Christ and the great need for prayer and fasting.
8. On a personal basis, try to find at least one person that you can teach what you know. Try to find teenagers and young adults; those are especially the ones we need to reach.
9. If you appreciate and agree with this ministry, consider supporting us financially on a regular basis. The more people we have supporting us the more it enables us to reach out on greater scale.

THE FAT LADY HAS NOT YET SUNG!

When I immigrated to the United States in 1963, I got a job with the State of Utah as a designer in their highway department. My immediate supervisor was a retired Army colonel who had fought in World War II. He shared many things with me and became a good friend. When I encountered a problem, he always told me, *"It ain't over until the fat lady sings."* I did not understand this at first but later learned he was referring to an opera that would only end after the lead lady had sung her last song, and usually all these lead singers were fat.

Jesus is Lord and He has the last word. Until He speaks a final time, it is not over, regardless how bleak the situation looks. Let's be encouraged that God has chosen us to live in these last days and that we will have a chance to be part of the end times. I look forward to hearing from you as we are determined to stop Obama's wrecking crew and bring the Gospel to the millions who do not yet know Jesus.

“Wherefore God also hath highly exalted him, and given him a name which is above every name: That at the name of Jesus every knee should bow, of things in heaven, and things in earth, and things under the earth; And that every tongue should confess that Jesus Christ is Lord, to the glory of God the Father.” (Philippians 2:9-11)

BE A Prayer WARRIOR

“Let us not glide through this world and then slip quietly into heaven, without having blown the trumpet loud and long for our Redeemer, Jesus Christ. Let us see to it that the devil will hold a thanksgiving service when he gets the news of our departure from the field of battle.”

“Christ's call is to save the lost, not the stiff-necked; He came not to call scoffers but sinners to repentance; not to build and furnish comfortable chapels, churches, and cathedrals at home in which to rock Christians to sleep by means of clever essays, stereotyped prayers, and artistic musical performances, but to capture men from the devil's clutches and the very jaws of Hell. This can be accomplished only by a red-hot, unconventional, unfettered devotion, in the power of the Holy Spirit, to the Lord Jesus Christ.”

A PROPHETIC LOOK INTO THE FUTURE

John S. Torell

The following text is a reprint from October of 2004.

The year is 2030 and Jesus has not come back yet. The Antichrist has not yet come on the scene but the world is almost ready for him.

Medical doctors are not using drugs and medication any more. Instead, when someone gets sick, samples are taken of their cells and through a computer analysis the doctor is told how to control the sickness via gene splicing.

Homosexual marriages have been legalized all over the world, and homosexual couples are having children through In Vitro Fertilization or surrogate mothers.

Only poor people are still having babies the old fashioned way. The “in thing” now is to have “designer babies,” where the parents have been tested for possible gene deficiency, and instead of fertilizing the egg in the womb, an egg is extracted and then fertilized in a clinic. Once the embryo is developed, specialized doctors manipulate the genes in the embryo to decide if it is going to be a boy or a girl and make sure through gene splicing that the child-to-be will have the characteristics the parents desire. Once the embryo is manipulated by the medical technicians, it is inserted into the uterus and carried to full term by the mother.

This procedure prevents the possibility of having a deformed baby. There is a new worldwide law, mandated by the United Nations that no deformed baby can be allowed to live. Thus, in every hospital, pregnant women are tested throughout their pregnancy to make sure that the baby is developing without any problems. If a baby is tested and found that it will be born deformed or with a disease, it is killed through abortion. This is hailed throughout the world as the most benign and humane solution since there won't be any crippled children who

will have to suffer, and at the same time, billions of dollars are saved in medical costs.

During the last century black Americans had discriminated among themselves, and those who were very dark skinned were looked down upon by those whose skin was of a lighter shade. Black Americans are using a new breakthrough in baby designing by making sure that their babies are born with less pigment, thus giving them a lighter skin tone.

The Democratic Party is now firmly in control of the United States. The Republican Party has disintegrated and America is down to a one party system. Most of the leadership in the Democratic Party is homosexual and the drive is now on to elect the first homosexual female to the presidency of the United States. Due to the heavy influence of Hollywood celebrities like Shirley MacLaine and other entertainers such as the American Jewess, Madonna, who have flocked to the Democratic Party since the mid 1970s, the Kabbalah has become the religion of choice for many top democratic leaders.¹ What the American people do not know is that the God of the Kabbalah is known as “The Holy Serpent,” and is known in the Bible as “the Devil.” The Democratic Party is ready to take the lead in the future worship of the Antichrist and the Devil. (Revelation 13:1-18)

The democrats have turned the economy around in the United States by cutting the cost of health care to a minimum. New laws have been passed which mandate that when people become sick, and doctors have determined that there is no possibility of recovery, the sick person is put on a death watch in a special hospital

¹ Madonna has donated millions of dollars to the Kabbalah Center in Los Angeles as of 2004, which in turn has been using her to draw in new converts. She has changed her name to “Esther,” trying to become a new queen like the one in the Old Testament.

unit where they are denied food and water.² Within five days the patient is dead. It doesn't matter that the patient is crying and pleading for water; the impersonal hospital staff turns a deaf ear and tells the patient they are just following protocol. This method saves billions of dollars and the healthy people in America are praising the democrats for this wonderful program; taxes have been lowered and people now have more money to spend on themselves and recreational fun. This in turn has stimulated the economy since consumers are buying more.

Not only are taxes cut, but the bloated Social Security system is being nursed back to fiscal health. Since so many retired people are dying early, there are fewer benefits paid out by the Social Security Administration. Consumer confidence is back and the Democratic Party is gloating over its success in reviving the American economy into a surging growth, the likes of which haven't been seen since the Reagan years in the 1980's.

Meanwhile, the media is not reporting that the baby boomers are cursing their grandchildren as they are taken out to pasture to die. They now realize what they did in greed and stupidity when they voted the democrats into office is now coming back to haunt them. Those who live with their mistakes know that hindsight is 20/20. The cure for cancer has finally been found – death!

Another concept that the democrats have taken from Sweden has to do with "hate laws." By designating homosexuals and Jews as "minority groups," it is now a crime to speak negatively about them. Preaching against homosexuality and saying that the Jewish leadership at the time of Christ called for His death will mean the immediate arrest of the preacher or person and a long prison term. Sweden began to implement this policy in 2004, when Ake Green, a Pentecostal preacher, was arrested and sent to prison for preaching that homosexuality is a sin and is condemned by God.³ The ruling Social Democrats in Sweden realized that as long as Bibles existed containing "hate," there would always

be a problem. Thus a new Bible translation was ordered that removed all "bad" references to homosexuals and Jews. It also went so far as to remove the existence of evil spirits. Old Bibles have now been declared "hate literature" and banned and anyone in possession of said material should turn it in for a new Bible. Anyone in the English speaking world caught with a King James Bible is immediately arrested and sent to prison.

The Democratic Party also brought in new religious laws since the Constitution had been declared unconstitutional by a Supreme Court that was stacked with liberal homosexuals and Jews. Citing laws from Israel passed in 1948, it is now a crime to convert anyone from one religion to another. These laws have also existed since the mid 1950's in Pakistan, Egypt and a number of Islamic nations. So now Christians in the United States can only evangelize within their own communities. Anyone found converting someone to Christ or even the person being converted is sent to prison.

The Democratic Party has also been able to reform the prison system in the United States, resulting in billions of dollars saved. As soon as a person enters the prison system, he or she is examined by specialists in gene treatment. Once they have found deficiencies in the prisoner, he or she is treated with gene therapy and in a short time the prisoner has a new personality. They are programmed in what to believe, how to behave and can be released from prison. Rapists, murderers and Christians opposing the Democrats are still kept in prison. There are no child molesters left in the United States. The Democratic Party has passed laws which declare that as long as a child consents to have sex with an adult, it is no longer a crime but an educational experience. Parents are allowed to have sex with their children in order to teach them proper sexual behavior. Child pornography is now considered an educational tool to prepare children for their sexual lives.

The founders of the Christian television networks like TBN, CBN and others are now dead. Their networks have been taken over by their children or grandchildren, and all the programming has been geared to teach Christians that Jews are God's chosen people and superior to all other

² This concept was taken from Sweden, where it had been practiced since 1975.

³ www.eaec.org/bibleanswers/ake_green_sermon.htm

people on earth. It is therefore the duty of all believers in Christ to support the state of Israel and to honor all Jews, regardless of how they live and behave. There is no longer a need to preach Christ since ecumenism has swept in and states that all people are going to be saved regardless of their religion and thus “good works” is the core of all religion. To be a good Christian is to join the “Universal Church of God” and obey all its rules and regulations.

The humanoids are quickly rising in power and prominence. They are less emotional than humans and more reliable as leaders and workers. They are welcomed with open arms into the military and used as prison guards and medical personal since they obey any order without question. The number of humanoids in law enforcement is growing because they show no mercy nor do they feel sorry for the people they arrest.

No automobile, truck or ship can be operated without being connected to a satellite system which monitors it constantly. This system was introduced and developed by General Motors in the mid 1990’s and called “OnStar.” The United Nations mandated that all vehicles operating in the world must be connected to such a system or be taken out of service. The theft of cargo and vehicles is almost down to zero.

The democratic leadership proudly displays the microchips implanted in their arms which enable them to be tracked at all times. This practice was taken from Mexico where the political leadership in 2004 opted to be implanted in order to prevent kidnapping and for quick identifications at airports and other installations.

The Democratic Party has passed a law that all babies must have a chip implanted when they are born, and in this way, all Americans will have been implanted in a few generations.

Christian parents are now facing a new challenge. More and more human cloning is being done and thousands of humanoids have reached the age at which they are looking for spouses to marry. These male and female humanoids look just like a human being, but since they have been cloned, they do not have a soul. The

nightmare of life on earth before the flood of Noah is back on earth, and these half human/half demons are now demanding equal rights just like the homosexuals did some 80 years ago. Teachers in public schools have been given the assignment of teaching children that humanoids should not be discriminated against just because they are cloned.

There is no salvation available for humanoids and when they marry a “real” human, the children in that union are the offspring of demons and humans with no salvation available.

The Bible has gone through another five revisions and version of 2030 isn’t even close to a 1950 King James Bible. All references to the blood of Jesus have been taken out, the story of life before the flood is missing, and the book of Revelation has been relegated to an allegory that is not to be taken seriously. All references to homosexuality have been removed and the teaching that a man must be born again has vanished.

Most major Christian denominations are now merged into the “Universal Church of God.” Jesus is no longer proclaimed the Son of God, but rather he was a teacher in the same class as Buddha, Mohammed and Joseph Smith. Hindu’s, Muslim’s and Roman Catholic’s have all merged into this one-world religion. There is still a remnant of old fashioned believers in Christ clinging to their old worn King James Bibles but they are dying out and their children are being snatched away by the lures of the world. The generation born in the 1960s has entered its years of retirement and the world is being ruled by people born after 1980. Some of them are trying to hang on to the teachings of their parents but the pressure on them is great and most of them are accepting the fact that the world has changed and they have to change with it.

Do you think that this is a nightmare which cannot happen? Ask any person born around 1930, how many things and customs in the world currently that did not exist at their birth and you will be amazed. The world is in a giant mode of change which will forever change our way of living and the value system as outlined in the Bible from the 16th century, which is a true copy of the writings of the prophets, Jesus Christ and the apostles.

The church is asleep and most pastors have been dumbed down in the seminaries so that the blind are leading the blind.

“The reason why many fail in battle is because they wait until the hour of battle. The reason why others succeed is because they have gained their victory on their knees long before the battle came. Anticipate your battles; fight them on your knees before temptation comes, and you will always have victory.”

“Error is like leaven, of which we read, "A little leaven leaveneth the whole lump." Truth mixed with error is equivalent to all error, except that it is more innocent looking and, therefore, more dangerous. God hates such a mixture! Any error, or any truth-and-error mixture, calls for definite exposure and repudiation. To condone such is to be unfaithful to God and His Word and treacherous to imperiled souls for whom Chris died.”

Salvation, Deliverance & Healing

"My husband has locked himself in the bathroom and is going to kill himself!" These were the frantic words spoken by a friend named Glenda as I was ready to enter a Southern Baptist Church on a Sunday morning in 1970 in San Rafael, California. My heart almost stopped as I heard these words because Jim was the worship leader in the church and a staff member at Golden Gate Baptist Theological Seminary where I was a first year student. They were really good friends to my wife and I and now he was going to kill himself? As a young Christian, I knew very little about spiritual warfare and wondered how I could save my friend.

I rushed over to Jim and Glenda's apartment and found to my great joy that Jim was still alive but very distraught. I told him about a book I had just read about demons and asked him to come with me to my apartment to get the book so he could read it and get some help. Jim grabbed me in a bear hug when we arrived at my apartment and said he was not leaving until I had cast out the demons in him. I was shocked since all I had ever done was read a book about it. As we knelt in front of a couch and called upon the Lord, I was again stunned when Jim lifted the couch in the air and foam came out of his mouth. There was no time for fear so I began to command the demons to leave. Jim collapsed on the floor after a fierce battle and I thought he was dead. I laid my hands on him and as I prayed the Holy Spirit fell on him and he got up and screamed, *"Praise God, I am free!"*

This is how I was thrust into a deliverance ministry. I purchased every book I could find on demons and the Baptism of the Holy Spirit. As my wife and I prayed for people, our skill level increased and so did the anointing from God. During our travels we ran into Satan worshippers, learned about the world government and for the next 40 years I have recorded what I learned. This practical handbook is the culmination of my life's work and will give you a solid understanding of salvation, how to pray for the Baptism of the Holy Spirit and how to have a close relationship with God the Father and His Son, Jesus. You will also learn the blessings God has for those who obey His Word and the curses that come upon those who disobey it. You will learn the difference between demon possession and oppression and how to handle demonic problems. In short, this book is the manual that I never had.

Thousands of people over the years have had their lives changed as they moved from defeat to victory and the same can happen for you!

PAUL'S LETTER TO THE EPHESIANS

10 MESSAGES ON PAUL'S LETTER TO THE EPHESIANS

PAUL'S LETTER TO THE EPHESIANS

by John S. Torell

The temple of Diana at Ephesus was one of the seven wonders of the ancient world and it was in this setting that the apostle Paul spent three years organizing a church and carefully outlined the basic doctrines of the Christian faith. He explained how God is eternal, Jesus is the Son of God and how predestination fits into our lives. Paul also explained how we are born into the kingdom of Satan and why we are transferred by salvation into the kingdom of God.

Salvation is the cornerstone of Christianity and Paul was emphatic in stating that it only comes by faith and cannot be earned. He called for the believers to live a life worthy of their calling and introduced many concepts that were foreign in idol worship. Paul explained what took place at the resurrection of Jesus and how new believers will be resurrected as well. He instructed them on how to set up church leadership in what has been termed the five-fold ministry and also shared God's desire for us when it comes to interaction between family members and even co-workers.

Finally, Paul taught on spiritual warfare and how it should be conducted. Paul was not interested in being "seeker friendly" but built the church in Ephesus upon the cross and resurrection of Jesus Christ. Every believer in Christ should intimately understand this letter in order to survive and be victorious in the world.

The people in Ephesus had converted to Christ from the worship of Diana and the apostle Paul was concerned with how the new Christians were going to live in a decadent pagan society. The temple of Diana was one of the seven wonders of the ancient world and it was in this setting that the Paul spent three years organizing a church and carefully outlined the basic doctrines of the Christian faith. He explained how God is eternal, Jesus is the Son of God and how predestination fits into our lives. Paul explained what took place at the resurrection of Jesus and how new believers will be resurrected as well. He instructed them on how to set up

church leadership in what has been termed the five-fold ministry and also shared God's desire for us when it comes to interaction between family members and co-workers.

Finally, Paul taught on spiritual warfare and how it should be conducted. He was not interested in being "seeker friendly" but built the church in Ephesus upon the cross and resurrection of Jesus Christ. Every believer in Christ should intimately understand this letter in order to survive and be victorious in the world.

THE KABALLAH BOOKLETS

Have you ever wondered what motivates the people who make up the World Government? What religion do they embrace? This is important because religion is a foundational building block behind every political movement. It is true of Communism, Nazism and Fascism. Do you know that all three of these violent movements have the same religion? Furthermore, it is the same religion that inspired these Satanic movements which is also the religion of the people in the World Government. In this series of booklets you will learn how the diabolical Kaballah was started in the days of Moses, more than five thousand years ago by men who rebelled against God. This secret religion among the twelve tribes of Israel burned like a smoldering fire under the surface and it was King Solomon who fanned the fire some 900 years before Christ and made it into the refined system we see today. As we approach the coming of the Antichrist and the Mark of the Beast, it should be of utmost importance to know about the religion of this coming world dictator. This series will teach you the following:

- What Kaballists believe
- Who is their god?
- What are the plans and goal of this god?
- How is the Kaballah affecting many aspects of your life?

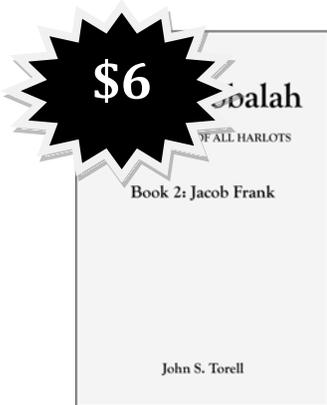

The knowledge you gain about this evil religion will help you resist the Mark of the Beast and the oppression that is going to come on this earth.

THE KABALLAH - Book 1: Sabbatai Sevi

Sabbatai Sevi proclaimed to be the messiah in the year 1666, but unlike Jesus, he lived an immoral life, and the Kabbalah teaches that through his sinful life and death through sickness, he opened the door for salvation for them that believe on him. Striving to live a sinful life is not the nature of God, but of the Devil, and the complete opposite of what the Bible teaches of Jesus, who was born of a virgin, lived a sinless life and died on the cross for our sins.

The messiah concept found in the Kabbalah is actually “Satan’s gospel” and the core belief of the people in charge of the coming World Government. If you don’t understand this concept, you will be deceived by the Antichrist system and might even be assured to take the Mark of the Beast by apostate church leaders and the media.

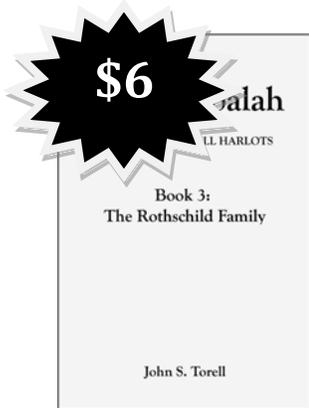

THE KABALLAH - Book 2: Jacob Frank

For thousands of years people believed the earth was flat and the center of the universe, and anyone who challenged these assumptions was arrested, tried and put to death by the Roman Catholic Church. So what happens today when someone makes an assertion that is considered anti-Semitic but can be proven otherwise? Few Gentiles know about a Jew named Jacob Frank in the 18th century who was deeply educated in the Kabbalah and believed he was the reincarnation of Sabbatai Sevi. He believed in nihilism and advocated overthrowing every national government, executing every king and eradicating every trace of Christianity. He strove to destroy God’s laws and

lived in total sin.

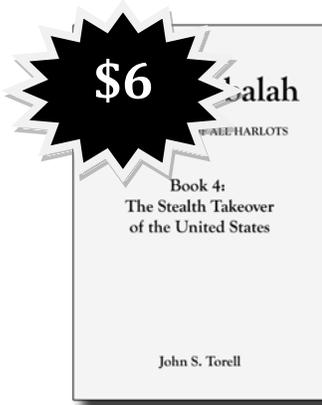

While Frank was never able to put his revolutionary ideas into practice, his writings did become the foundation for the scourges of Communism, Nazism and Fascism and someday they will also be used by the Antichrist. The millions that were killed during the Second World War and the communist takeovers of Russia, China, Vietnam, Cambodia, Laos and Cuba are a direct result of Frank's writings. Their blood cries out for truth concerning this demonized man so that so that future generations can be warned about this hellish future.

THE KABALLAH - Book 3: The Rothschild Family

A successful revolution requires a lot of money, but when the goal is to subdue the world and put it under a dictatorship, entire financial systems must be taken over. The Kabbalistic leadership wants to take dominion of the earth and rule it with their messiah and they need to control the banking system to achieve this objective. The Fugger family was promoted in the 14th century but they did not protect their wealth. Jewish traders became very wealthy during the next two centuries as they operated in all nations and supplied warring armies but there was no centralized control that could be projected over the banking systems of different nations.

Meyer Amschel was selected to be the founding father of a global banking family. He was sly and deceitful and intensely loyal to the Jewish cause that is spelled out in the Talmud and the Kabbalah. The Kabbalistic leadership invested funds and coins which Amschel used to build a fairly strong banking house in Frankfurt and his five sons proved to be more shrewd than their father. In less than 50 years the Rothschild family had penetrated the financial markets in Austria, Germany, France, England, Italy and Spain. This is the story of the Rothschild's, who through the Kabbalistic leadership were able to set the policies in these nations and achieve a monopoly that is unrivaled today.

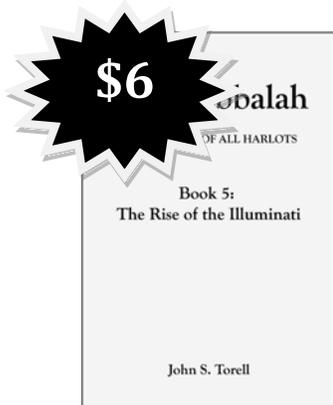

THE KABALLAH - Book 4: The Stealth Takeover of the United States

The Kabbalistic Jews learned through the Rothschild takeover of the European banking system to disguise themselves and find Gentiles who are willing to do their bidding. Another lesson they learned was that it is impossible for any nation or group of people to take control of the world through military power. The only way to succeed is to take control of the different nations monetary systems and forge them into a global banking and trade system. Once this has been achieved, food is the ultimate weapon since no one can live without it.

The stealth takeover of the United States was done by Gentile businessmen, lawyers, elected political leaders, educators, Christian ministers and military commanders who were willing to carry out orders that included shooting on the American people to make them comply. This book takes you from 1828 until 1907 and shows the treason, sellouts and the rape of the American people that were carried out in such a remarkable way that no one could resist it and survive.

God was also carrying out a parallel program through D.L. Moody and R.A. Torrey, who were used to bring millions of people in the United States and England to Christ and hindered the ultimate goal

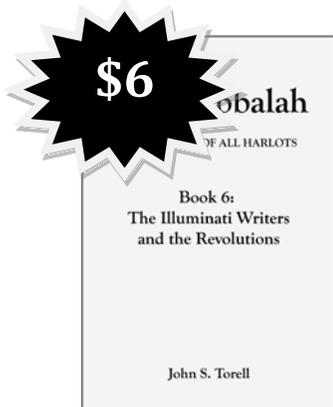

of the Jewish world leaders of ushering in their new world order. Ironically, the same tactics employed more than a hundred years ago are still being foisted upon us today and the old adage is still true that those who don't know their history are doomed to repeat it.

THE KABALLAH - Book 5: The Rise of the Illuminati

Do the mythical Illuminati even exist and what are the intentions of this secretive group? Most people interested in prophecy and the Mark of the Beast will invariably come across a mysterious organization called the Illuminati. A great deal has been written about this secretive group but how much of it is truth? Who was Adam Weishaupt and why did he create the Illuminati? To answer that question we must examine his political viewpoints that were formulated upon writings of Plato, Jacob Frank and the Kabbalah. Utilizing this information along with historical facts that have been preserved in various the libraries of France, England and the United States will present a picture of his mindset and intentions toward humanity.

While the Illuminati fomented revolution in France that resulted in widespread death and destruction, God simultaneously worked upon John Wesley, George Whitefield and Jonathan Edwards, who became lightning rods for a revival that would touch the entire world. Weishaupt had similar plans for revolution in England and the American colonies, but these three men were instrumental in thwarting this effort and you will be inspired to learn about God's intervention in human affairs.

THE KABALLAH - Book 6: The Illuminati Writers and the Revolutions

The Al-Qaida terror network is nothing compared to the terrorists who sought change the world in 1848! The last ten years have been filled with news of the Al-Qaida terrorist network and its organization of radical killers but did you know that there was an even more sinister terror network operating in Europe 180 years ago? They worshiped Satan with all their might and arose in coordinated revolutions by the hundreds of thousands in 1848 to overthrow governments and cause a world upheaval. They were trained in military skills and revolutionary ideas by men whose names have

been mostly forgotten by history, but the words of these writers still remain and continue to work in the hearts of the impressionable students at universities and seminaries.

The Illuminati writers are long dead but they trained another generation to carry on their evil intent for a world government and that cycle has continued to perpetuate itself. In fact, their message can be found at the core of every dictatorship in existence today. This narrative of the Illuminati writers shows Satan's intent to enslave all nations of the earth through revolution and form a world government which will usher in the kingdom of the Antichrist. The disciples of these writers have set their sights on destroying the United States, and unless God's people wake up, America will go down in history as the last of the great nations who forsook the Lord. If that seems improbable, you need only look at what happened in the past to see what lies in the future.

THE BIRTH OF CHRISTIANITY

John S. Torell

The average Christian is not familiar with their Bible and possesses almost no historical knowledge regarding the birth of Christianity because most churches in the United States emphasize contemporary worship, a short sermonette and lots of social activities. This series of messages will educate you about the struggle that the early church faced in breaking away from Judaism.

The Talmud was so deeply ingrained in the apostles that they ignored the words of Jesus to evangelize the whole world because Gentiles were considered unclean and likened to animals. It would take some time before the church leaders finally lined up with their departed Master and understood that the Second Covenant is for the Jews and Gentiles alike.

But this didn't put a stop to misunderstandings about circumcision and what parts of the God's law applied to the Gentiles who were ignorant of the Old Testament and didn't have access to the scrolls in the synagogues.

Eventually it became necessary to hold a special conference in Jerusalem and straighten out what should be done with the Christian Gentiles. Their ruling was man's attempt to solve a spiritual problem in the flesh and it would be years later before the doctrine of the Christian church was finally written that corrected the errors from this conference and established the Christian faith.

THE STRECKER MEMORANDUM

Dr. Robert Strecker refutes, with documented evidence, virtually everything the so-called experts and Government reports have told you about AIDS. He asserts in no uncertain terms that AIDS is a man-made disease, AIDS is not a homosexual disease, AIDS is not a venereal disease, AIDS can be carried by mosquitoes, and there can never be a vaccine. Dr. Strecker shows how AIDS was predicted, requested, created, deployed and works very well!

Although decades have passed and untold billions have been spent in research, cancer is still with us, the second major cause of death in America. The most dreaded fear that all oncologists, virologists and immunologists live with is that someday cancer in one form or another will become a contagious disease, transferable from one person to another.

AIDS has now made that fear a reality, and if you think you're safe because you're not gay or promiscuous, or because you're not sexually active, then you had better watch this video very carefully until you fully understand what Dr. Strecker is telling you as he takes you step by step and shows you how this dreaded disease was actually man-made. Condoms can't prevent it and there won't ever be a vaccine.

Dr. Robert B. Strecker practices internal medicine and gastroenterology; he is a trained pathologist and holds a Ph.D. in pharmacology. Dr. Strecker and his brother, Ted, were preparing a proposal for a health maintenance organization (HMO) for the Security Pacific Bank of California. They needed to know the long-term financial effects of insuring the treatment of AIDS patients. In as much as this information was not readily available in 1983, both brothers began researching the medical literature to learn what they could about this relatively new disease. The information they uncovered was so startling and hard to believe that it would dramatically alter both their lives and lead them on a five-year quest culminating with the creation of The Strecker Memorandum video.

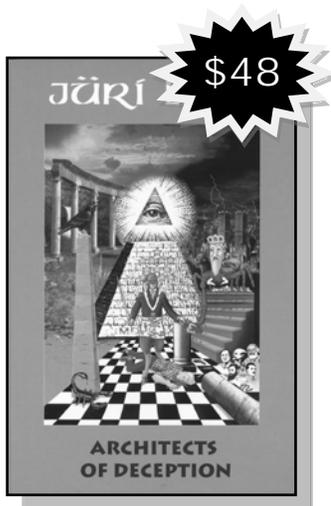

ARCHITECTS OF DECEPTION

The Concealed History of Freemasonry

The world we live in may seem frightening and confusing. The politicians and mass media claim that there is no pattern for the turn of events. The idea that there is a hidden connection between various destructive phenomena is usually ridiculed as a "conspiracy theory", which does not fit in with the official world-view. To create order out of this apparent chaos, a key is necessary.

Jüri Lina's revealing book provides an insight into the concealed network behind past and present events. This political system has been built up by forces working behind the scenes - an all encompassing deception by the Knights Templar, the Illuminati and today the Freemasons, clearly evident in our present lives.

Jüri Lina has collected information and rare documents from many sources to create a record of the devastating activities of the secret societies. He reveals the connections between the concealed organizations and shows how these have affected history with the aid of puppets like Napoleon, Lenin, Trotsky, Hitler, Mao Zedong, Roosevelt and Truman (all high-ranking freemasons). He examines the magic rites of freemasonry and traces their origins. The reader is shown the real reasons behind several major wars and revolutions, from the French Revolution in 1789 through the Gulf War in 1990 and the bombing of Serbia in 1999.

Finally the author reveals how these evil forces manifest themselves today and what plans they have for the future of mankind. This book exposes many dangerous myths and paints a different picture of the world, a picture, which may be less fair to behold, but which undoubtedly describes the real conditions we are faced with.
