Elections and the Spirit World

NIP-17

Pastor John S. Torell

November 12, 2023

The 2023 election results from Virginia do not bode well for Christians. Glenn Youngkin was a member of St. John's Episcopal Church in McLean until the Episcopal denomination began accepting same-sex marriages. He and his wife left the church over the issue and became founding members of non-denominational Holy Trinity Church.

He successfully ran for the governorship in 2021, and as soon as he had been sworn in, he signed eleven executive orders to curtail the liberal craziness being put forth. The first executive order banned "critical race theory" in public schools. He terminated everyone on the Virginia Parole Board since they had released criminals that should not have been paroled. He also ended mask mandates in public schools and state employees were no longer required to take COVID-19 shots. In 2022, Youngkin proposed to repeal a protection act for transgender students in Virginia schools. He also pushed for parental rights legislation when it came to their children's education and the use of textbooks. He also aggressively pushed pro-life policies and proposed a series of tax cuts.

During this recent election, democratic voters ensured that both houses returned to democratic

control. The republicans were badly beaten despite Youngkin's extensive campaigning throughout the state, republican election workers visiting most homes, poll watchers at every voting location, and running advertisements on television.

During a two-year period, Youngkin transformed Virginia into a vibrant state with a booming economy and more personal freedom.¹

ABORTION VS ECONOMY

Baal, Moloch, and Ishtar are three ancient gods working in Virginia. These fallen angels set themselves up as gods in Assyria, Babylon, Persia, Greece, Rome and Egypt. Their priests and priestesses were demon possessed people who sacrificed children on altars. These fallen angels have a massive number of demons at their beckoning, who are willing to possess humans to fulfill the will of these so-called gods.

The modern altars of sacrifice are now called abortion clinics, bars, whorehouses, etc. The most powerful priestess in Virginia is a transgender man named Danica Anthony Roem. He was born in 1984, and at the

age of 28, he began to transition into a woman through hormone treatments. Five years later in 2017, he was elected to the house of delegates in Virginia, and in this last election, became Virginia's first transgender state senator.²

We have to face the reality that the Democratic Party has become synonymous with the values of Satan. Lucifer is directing this political party through Baal, Moloch, and Ishtar. A visit to the Democrat website yields the following position:

*Democrats believe that the economy should work for everyone, health care is a right, our diversity is our strength, and democracy is worth defending.*³

Those platitudes are meaningless because the Democrats are morally bankrupt and the geriatric puppet in the White House has done more to destroy the American economy than a foreign enemy ever could. We have rampant inflation, stymied oil drilling, rampant crime that goes unpunished, and the open southern border allows millions to stream across from all over the world.

The democratic agenda, if truthfully written, would read as follows:

Democrats believe in a globalist economy that doesn't put America first, abortion is healthcare and that's all we really care about; homosexuality and transgenderism are normal, never mind the fact that they can't reproduce, it's all about ~~lust~~ love; fornication and

adultery are normal; this ungodly way of life is worth defending.

Sadly, many republicans are compromised in this way also. Human trafficking and pornography are on the rise and the gods are pleased that their devotees' faithfully worship at their altars.

HOW TO WIN ELECTIONS

Elections must be won in the spirit world. Christians are not fighting flesh and blood, but principalities in high places, fallen angels who are just as wicked as the Devil. We are combatting the forces of Satan and this can only be accomplished with spiritual weapons.⁴ We must be clothed in the armor of God.⁵

We are battling Baal, Moloch, and Ishtar – three wicked fallen angels who absolutely hate humanity. Start praying every day against these gods!

LORD, TEACH US TO PRAY!

“AND IT CAME TO PASS, THAT, AS HE WAS PRAYING IN A CERTAIN PLACE, WHEN HE CEASED, ONE OF HIS DISCIPLES SAID UNTO HIM, LORD, **TEACH US TO PRAY**, AS JOHN ALSO TAUGHT HIS DISCIPLES.” LUKE 11:1
