PRIMARY ELECTIONS

We are now in the primary season of the 2024 election and thus far President Trump has won the Iowa caucus and the New Hampshire primary. There are hidden forces behind the scenes using money to sway elections.

Here is what was spent in Iowa:

- ❖ Nikki Haley – \$37 million
- ❖ Ron DeSantis – \$35 million
- ❖ Donald Trump – \$18 million

This is what was spent in New Hampshire:

- ❖ Nikki Haley – \$18.7 million
- ❖ Donald Trump – \$6 million
- ❖ The other candidates who dropped out spent \$24.2 million dollars.

The candidates opposing Trump in the primary elections are being bankrolled by people and organizations who want to defeat him. There is an unholy coalition of Republican Rhinos like President George W. Bush and Mitt Romney who have joined forces with democrats. The Jewish Soros family is pumping millions of dollars into the 2024 campaign and so is Mark Zuckerberg of Facebook, along with other Silicon Valley tech companies, and liberal movie stars.

This money is being used to bombard Americans with television ads, mass mailings, radio commercials, billboards, and endorsements from celebrities. The tactic is old but effective:

Throw enough mud on the wall and some of it will stick.

SERVANT OF LUCIFER

Joe Biden is a servant of Lucifer and he has failed to uphold the Constitution. It is obvious that he is sliding into a state of dementia that progressively grows worse. His time as a senator, vice-president, and president have been plagued with lies and he has faithfully worked to undermine the United States by destroying the energy sector, flooding us with illegals, and mandating everything from dishwashers to electric cars.

Biden was caught plagiarizing in college and on the campaign trails of various elections. Once in political office, he sold himself to foreign agents and his efforts have involved his family, making Hunter to be the collection agent for what can only be described as the Biden crime family.

The Democrats cannot run on Biden's achievements since all his policies have failed. They have opted instead to run a campaign on the

issue of abortion. They hope that this will appeal to younger women who are killing their babies as a form of birth control – all in the name of choice!

JEWISH WRECKING CREW

It is also noteworthy that his chief of staff, Jeff Zients, is Jewish and attends the Washington Hebrew Congregation. Reformed Judaism is a progressive form of Judaism and rejects any fixed, permanent set of beliefs, laws and practices. In other words, the Old Testament has no value. Their membership numbers 1.8 million Jews in 50 different nations.

There are approximately 58 Jewish men and women in the Biden administration, which also includes some ambassadors. They are doing great damage to the United States.

- ❖ Janet Yellin, Secretary of Treasury
- ❖ Alejandro Mayorkas, Secretary of Homeland Security
- ❖ Toni Blinken, Secretary of State
- ❖ Merrick Garland, Attorney General
- ❖ David Cohen, CIA Deputy Director
- ❖ Rachel Levine, Deputy Health Secretary¹

THE KABBALISTIC MESSIAH

Biden and his progressive Jewish wrecking crew have done an outstanding job for Lucifer since they are secretly working to usher in their Kabbalistic messiah to rule the world. They believe that he is going to be a Jewish man anointed by God like Samson and given supernatural strength. The Bible calls him the Antichrist. Two distinct groups, each promoting their doctrine. One pushes the Man of Sin and the other the Son of Man. Only one will win and that's going to be the real Messiah, Jesus Christ!

Compare this with the Son of God who arrived to earth supernaturally and was incarnated to a human body by the Holy Spirit, heralded by angels, and showed many signs and wonders. He died on the cross and rose again on third day. Before He ascended to heaven, the real Messiah told the burgeoning church to take the gospel message throughout the world.

THE SPIRIT WORLD

Elections must be won in the spirit world. Christians in the United States and elsewhere are not just struggling against flesh and blood, but principalities in high places, fallen angels who are just as wicked as the Devil. We are opposing the forces of Satan and it is absolutely necessary to fight them with spiritual weapons; conventional weapons are ineffective. (2 Corinthians 10:3-6)

We must be clothed in the armor of God. (Ephesians 6:11-18)

We are fighting Baal, Moloch, and Ishtar. Wicked fallen angels who hate humanity! We need to pray against these gods every day.

PRAYER TARGET

Pray that the impeachment inquiry will lead to the impeachment and removal of Joe Biden.

Pray for the removal of Kamala Harris as vice president.
