### **PART 3: MORALITY 201**

#### **MORALITY**

In our earthly schools the main subjects usually are:

- 1) The native language of the nation a person is born in;
- 2) Reading and Writing;
- 3) Mathematics

Morality is not taught in our public schools, which explains why there are wars, murder and crime. In God’s University, MORALITY is a key subject which God demands each student to master in order to graduate with honor.

**Matthew 22:34-40**

Remember, being a moral person does not save anyone; we work on being moral because we are saved. **Ephesians 2:8-10**

**God gave Moses the divine standard moral code know as the Ten Commandments.** The first three commandments instruct us on what our relationship to God should be and what He expects from us. **Isaiah 14:12-14**

1. You shall have no other gods before me. **Exodus 20:1-3**

God does not accept spiritual adultery. **James 4:1-10**

God will cut off the adulterer. **Ezekiel 44:5-16**

2. No graven images, no demon worship. **Exodus 20:4-6**

Amplified by God in **Deuteronomy 18:9-13**; verified by the apostle Paul. **1 Corinthians 10:19-22**

3. You shall not take the name of your God in vain. Exodus 20:7

The United States of America is the one nation on earth where the unsaved people are using the name of God and Jesus Christ as swear words more than any other people on the earth. The Holy Spirit is insulted when people cry out "Holy Cow." Once people are saved, they continue their swearing with words like "Gosh" and "Golly" for God, "Gee Wiz" for Jesus Christ, and "dang it" instead of "damn it."

Jesus told us how our speech should be, simple and straight to the point; *no smart double talk.* **Matthew 5:33-37**

God is holy, He is the Creator, and supreme to all beings in the creation; He is to be worshiped in Spirit and in Truth. **John 4:21-24**
