PART 9D: ENTERING THE PROMISED LAND

THE CHILDREN OF ISRAEL HAD TO RESPOND TO GOD

- The new male generation born in the wilderness had not been circumcised and God required that in obedience it had to be done. **Joshua 5:1-9**
- The manna now ceased to be given and the people had to start eating what the land was producing. **verses 10-12**

THEN JESUS APPEARED TO JOSHUA

Just like Jesus had appeared to Moses in the burning bush, now he appeared as the King of kings. **verses 13-15**

CONCLUSION

- God brought them into the Promised Land through his power and miracles, but it was up to the people to keep the land. This was not done through miracles, but through obedience.
- Jesus died on the cross and rose the third day, paying for our sins and bringing us into his kingdom. **Colossians 1:9-14**
- It is up to each believer in Christ to make a choice and walk in obedience to God, working out your salvation with fear and trembling. **Philippians 2:9-16**
- The Christian must want to be obedient and when that happens, God will furnish the power to carry it out! However, there can be no power unless there is obedience first! **John 15:1-10***
- If you do not maintain a personal close relationship with God on a daily basis, your spiritual power will dry up and you will slowly sink into depression that will lead to a spiritual burnout.*
- There are 1,500 American pastors leaving the ministry every month due to moral failure, spiritual burnout, or strife in their churches! Church members are also not immune to this spiritual attack by the Devil and his hordes of demons! If you are not close to the Shepherd, the wolves will get you! **Ephesians 6:10-18***
