PART 2: WHAT CAN WE DO?

A PARTIAL JUDGMENT HAS STRUCK AMERICA

- When I preached my sermon last week, I and the entire nation knew that a massive category five hurricane was moving in the Gulf of Mexico, headed for a landing somewhere on the coast of Louisiana, Mississippi and Alabama. Little did I know that as I preached on the various calamities coming, this was going to be one of the greatest natural disasters in the history of the United States. Hurricane Katrina was a judgment from God upon this nation and at the same time a fulfillment of prophecy. **Matthew 24:7; Luke 21:11**
- Great fear and anxiety will fall upon people. **Luke 21:25-26**
- I have addressed the issue of the hurricane in a write-up entitled: *Katrina – God's Judgment?* This morning, I will quote some items from this write-up, which will be handed out with the sermon notes and it is also available on our web site.

SELFISHNESS

As we are approaching the end times, we are warned that selfishness with all its ugly attributes will infect the human race. **2 Timothy 3:1-7**

WHAT SHOULD CHRISTIANS DO IN TIMES LIKE THESE?

- Know first of all whom we are fighting – the Devil. **Revelation 12:9-17**
- Secondly, we are not fighting humans, but evil spirits. **Ephesians 6:10-13**
- Only by abiding in Christ can we survive and be victorious!* **John 15:1-14**
- There must be repentance in our lives. **James 4:1-11**

Jesus promised that if we make a decision to endure, He will save us from evil.
Matthew 24:13
