### PART 4: SATAN'S PLAN OF PLEASURE

#### **SATAN'S PLAN FOR MANKIND IS BUILT AROUND PLEASURE**

All throughout the Bible, Satan offers self-gratification to people, a lazy lifestyle and as much pleasure as possible. That's how the people lived before the Flood, as did Lot and his family, along with Sampson, King Belshazzar, King Herod, and many others.

- Fallen angels lusted after human women. **Genesis 6:1-2**
- Lot chose the plain of Jordan with its wicked cities. **Genesis 13:5-13**
- Potiphar's wife lusted after Joseph. **Genesis 39:1-12**
- Samson lusted after heathen women. **Judges 16:1-5**
- King Belshazzar was a party animal. **Daniel 5:1-31**
- King Herod was not only a party animal but a man filled with lust. **Mark 6:14-29**

#### **HOW GOD & SATAN ARE DIFFERENT**

- Man's thoughts are not God's thoughts. **Luke 12:15-21**
- God is not the author of the five day work week. **Exodus 20:8-11**
- God expects His people to live a holy life, not a sloppy sinful one! **Psalm 1:1-6, 26:1-5; Ephesians 4:20-32, 5:1-20**
- Do not sow discord! **Proverbs 6:12-19**

**Do you have an ear to hear with?**
