PART 1: SUPERNATURAL INTERVENTION

THE POWER OF GRAVITY

In the universe there are strong gravitational powers that hold the different galaxies and solar systems in balance. This power exists even though it cannot be seen by the human eye. The gravity on earth holds everything on the surface in place, including the air mass that surrounds the earth. **Hebrews 1:1-3**

THE BIRTH OF JESUS

The supernatural birth of Jesus Christ was a direct intervention by God when the Holy Spirit superimposed Himself on Mary and created a physical body for Jesus to possess while on earth.

Holy angels crossed over into the physical world and were part of this spiritual intervention by God.

- ❖ They were part of the supernatural pregnancy of the mother of John the Baptist. **Luke 1:11-20**
- ❖ An angel prepared Mary. **Luke 1:26-37**
- ❖ A massive group of holy angels appeared at the birth of Jesus. **Luke 2:8-15**
- ❖ A holy angel appeared to Joseph to warn him about Herod and told him to flee to Egypt. **Matthew 2:13-21**

INTERVENTION FROM THE SATANIC KINGDOM

Satan and his fallen angels knew that there had been an intervention from the kingdom of God and so they too immediately broke into the physical world. The man that Satan sent his demons to possess was King Herod, who was enticed to have all male children killed in Bethlehem that were two years old and younger. Demon possessed soldiers carried out the massacre. **Matthew 2:1-18**

SUMMARY

The incarnation of Jesus into a human body became a flashpoint in the spirit world as both God and the Devil dispatched large numbers of combat forces to Judea. Most of the people present in Judea at the time had no clue of the gigantic battle that took place in the spirit world. Jesus told us that God had committed 12 legions of angels (72,000) for this battle. **Matthew 26:52-53**
