PART 3: REMOVING SOUL DAMAGE

SOUL DAMAGE

An alcoholic is never going to stop drinking until he admits he has a problem. Likewise, when it comes to soul damage, most people don't even know their soul can be damaged. **Hosea 4:6**

All people suffer from varying degrees of soul damage that is caused by sin and abuse by parents, siblings and other people they know. **Romans 3:23**

The first step in being healed is for a person to be born again. **John 3:1-8**

SOUL WOUNDS ARE GUARDED BY EVIL SPIRITS

There are a number of demons that will guard the soul wounds and make sure no healing takes place. Here is a list of the most common ones:

- ❖ Demons of Anger will make a person unhappy and cause them to never be content.
- ❖ Demons of Offense will make sure that the person is in a constant state of offense by people around them.
- ❖ Demons of Unforgiveness will harden a person and deaden their emotions.
- ❖ To further bind a person up, Satan will send in demons of Bitterness and Hate.
- ❖ Demons of Revenge will follow soon afterwards.

A person bound with these demons will be hard to get along with and they will hate themselves too. **James 3:14-16**

BAD CHRISTIAN DOCTRINE

Most denominations in the United States will not acknowledge the existence of demons and the great harm they can do to a human being. The Devil has been relegated to superstitious imagination, and because there is no preaching on this subject, people are not told to guard themselves against the Devil.

Few modern pastors believe that the Bible is the actual word of God. They have been taught to extract concepts but they cannot teach verse by verse and tell their congregations that each word is important.

When a church member breaks down emotionally, they are told to sign up for pastoral counseling or see a professional Christian counselor. If the problems cannot be cured by counseling, the person is referred to a professional

psychologist, who has the authority to prescribe mind altering drugs to calm the emotionally distraught person.

If that does not help, the next step is the committal to a mental institution where a person is drugged to the point that they no longer remember their name or what they did before being committed.

Terms like bipolar, schizophrenic, attention deficit hyperactivity disorder (ADHD), etc. are common terms in society and children and adults are loaded down with drugs to control offensive behavior. Millions of school children are treated with Ritalin in total disregard to the horrible side effects.

If a denominational pastor starts speaking that these problems are caused by demons, he will be spoken to by a superior, and if he does not toe the line, he will be fired and blacklisted.

DEMONS & HEALING

During my 45 years as a minister of the Gospel, I have found it impossible to pray for healing of soul damage and diseases without first casting out the demons. I can pray for healing, but nothing will happen most of the time. The demons must be removed first. **Matthew 12:25-29**

Before demons can be removed, their legal right to inhabit a human being must be revoked and this is done in a deliverance session when biblical curses are broken in conjunction with personal curses, curses spoken by others, generational curses, ungodly soul ties and traumas. **Isaiah 55:1-7; Jeremiah 7:1-11; Matthew 17:14-21**

STEPS TO HEALING

The person seeking help must recognize that he needs to be saved from his sins and receive Jesus as his Lord and Saviour. **Romans 10:8-13**

It is important to confront unforgiveness. Everyone has certain people they have not forgiven. Sometimes there have been deep hurts, and a person can't remember the hurts and does not know they are harboring unforgiveness in their soul.

You can never use your emotions to forgive a person; forgiveness starts in the spirit of man from the prompting of the Holy Spirit and tells the soul to look at past hurts and then make an intellectual decision to forgive even if they do not agree emotionally. Jesus commanded us to forgive. He didn't give another option. **Matthew 5:21-26**

Any Christian who refuses to forgive will not be forgiven by God. **Matthew 6:14-15; 18:21-35**

We can call upon the Holy Spirit to help us and He will minister to us. **John 16:7-15; Romans 8:26-27; 1 John 1:5-9**

Remember, it's not so important how you begin your life after salvation, but how you finish it!
