### **PART 3: MARRIAGE & SODOMY**

#### **REBELLION**

Satan does not like absolutes. He is the master deceiver, the father of all lies, a murderer, and he is using all his power to convince people that God should not be taken seriously. **John 8:44**

Children are being trained in public schools and later in colleges and universities that there are absolute laws when it comes to mathematics, chemistry, physics and electricity. However, when it comes to moral laws governing human behavior, suddenly there are not absolutes. There is no concept of right and wrong and therefore people can more or less do whatever "feels" good. **Romans 1:20-32**

#### **MARRIAGE**

The Bible is absolutely clear when it states that God created Adam as a male. **Genesis 2:7, 15**

God said it was not good for the man to be alone and therefore He created a female counterpart called a woman. **verses 18-23**

God did not create Adam to bear children. He was supposed to impregnate Eve and she would carry the child in her womb until it was ready to be born. **Genesis 1:26-28; 3:16**

God instituted marriage to be between one man and one woman. God did not change the law of marriage just because men like Jacob, Gideon and King David had multiple wives. These men were not operating in God's perfect will but in His permissive will. **Genesis 2:24-25; Matthew 19:1-6**

**The law of God concerning marriage is that it is a lifetime covenant between one man and one woman and that a family is made up of a father, a mother and their children. This is an absolute!**

#### **HOMOSEXUALITY**

God did not create homosexuality. It is an abnormality that has its roots in sin. To say that God created homosexuality is blasphemy. God repeatedly stated that His creation was very good; He did not create any flaws. **Genesis 1:31**

Satan gave birth to homosexuality during the 1,676 year period before Noah's flood. **Genesis 6:5, 12**

The demons of homosexuality did not die in the great flood nor did it did take them long to corrupt men and women once again. Sodom and Gomorrah were the center of this wickedness. **Genesis 19:1-11**

Every homosexual person is possessed by evil spirits and some become violent in their relationships. **Judges 19:20-30**

Homosexuality (sodomy) was introduced to the population of Israel by demons as recorded in the Bible. **1 Kings 14:22-24**

Homosexual acts later became part of the worship that the priests of Judah practiced. When King Josiah began to reign in 639 B.C., he addressed the sins of the priests and of the people and ordered the homosexual houses built next to the temple to be destroyed. The practices in these houses were similar to the infamous bath houses of San Francisco. The priests and the men defiled themselves in these houses before they went to the temple and mock God. **2 Kings 23:7**

God clearly stated that homosexuality is an abomination and completely unacceptable to Him. **Leviticus 18:22; 20:13**

**God's law against homosexuality is an absolute. God is not going to change the law regardless of how many people turn to homosexuality. The law is irrevocable!**

The apostle Paul made it clear that the law against homosexuality was still valid after the death and resurrection of Jesus. **Romans 1:22-32**

A man or woman practicing homosexuality must repent of this sinful behavior when they come to Christ or there is no salvation. They have to fully surrender their life to the Lord or what they are doing is phony and has no value in God's eyes. **Revelation 21:8; 27**

Homosexuality is a spiritual disease whose cure only becomes available when a person is convicted over their sins. **John 6:44; 65**

Repentance and asking Jesus into your life will bring salvation. The final cure comes when the demons of homosexuality are cast out. **Matthew 10:1**

It is God's desire to see every sinner come to repentance. **Isaiah 55:6-7; 2 Peter 3:9**

***Remember, it's not so important how you begin your life after salvation, but how you finish it!***

***Do you have an ear to hear with?***
