JUDGMENT FROM GOD

RLJ-1752

JOHN S. TORELL

APRIL 19, 2020

INTRODUCTION

I was troubled in my spirit Saturday, April 18, 2020. Over and over it came to me that God is not just judging America, but the whole world.

Disinformation is sweeping the world and the internet is red hot with one story after another.

We are being told that it is just a short time before World Government people start mass arrests, putting them in FEMA camps, cities are going to be gassed to kill off people, guillotines are going to be busy in the FEMA camps, and the horror stories just get worse and worse.

Others say that the Covid-19 is a hoax. There are no sick people in the hospitals, it is all a hoax from the World Government.

Satan is a liar and his demons have done a great job spreading disinformation. Their goal is to get everyone so disgusted that they won't believe anything – including the Bible.

GOD SPOKE TO ME

Here is what I heard from the Holy Spirit:

- ❖ God is supreme. **Isaiah 45:18-23; 46:8-13**
- ❖ Jesus is the same yesterday, today, and forever. **Hebrews 13:8**
- ❖ God will bless His people when they walk with Him, but will judge them when they stray from Him.
 - We can be blessed. **Deuteronomy 28:1-14**
 - We can also be cursed. **verses 15-24**
- ❖ The Israelites showed no respect to God and paid for it heavily. **1 Corinthians 10:5-12**

SIN IN AMERICA

The American people sacrifice their children in the abortion mills, worship Bacchus in the bars and restaurants, fornicate in the whorehouses and in their homes as pornography is being spewed out of the television, and worship idols at the casinos, sport events, etc.

Homosexuality is rampant and glorified as normal by the entertainment industry. There is child abuse and sex trafficking. Men and women live together without being married, having children out of wedlock and creating bastards who are under God's curse.

We are no different than Israel of old, as a matter of fact, we are sinning worse than they did thanks to our technology and high standard of living.

GOD IS NOT A RESPECTER OF PERSONS

God is not a respecter of persons. **Acts 10:34**

God used the Midianites, Philistines, Assyrians, and the Babylonians to chastise Israel.

God has used the ungodly communist government of China to chastise themselves and the rest of the world when they released the Coronavirus – a biological weapon.

Listen to what God stated to Israel:

- ❖ I will use the Chaldeans. **Jeremiah 21:4-6**
- ❖ God gave them no mercy. **Jeremiah 14:10-16**
- ❖ They would die by the sword and pestilence. **Jeremiah 42:15-18**
- ❖ Pestilence and famine. **Ezekiel 5:11-14**
- ❖ The sword and pestilence. **Ezekiel 7:13-20**
- ❖ The pestilence would come. **Ezekiel 14:17-21**
- ❖ Destruction by drought and pestilence. **Amos 4:7-12**

A CALL TO REPENTANCE

All the talk we hear in the United States today revolves around staying home to stop the plague. We are waiting for a vaccine. We must open up the economy and go back to work.

God is waiting for people to cry out and seek forgiveness for their sins and that of the nation. God is waiting for pastors to preach against sin, not asking God to remove the Coronavirus.

The world's economy is in shambles, in similar fashion to Egypt after the Israelite exodus. People are dying – coronavirus or not – but there is no repentance. Without repentance, the judgment of God will only get worse until mankind breaks and repents or dies.

Where do you stand? Are you willing to call upon God to send the Holy Spirit to convict people of their sins? Humanity cannot repent unless the Holy Spirit gives them the gift of repentance! **2 Chronicles 7:14-15**

Remember, it's not so important how you begin your life after salvation, but how you finish it!

Do you have an ear to hear with?
