PART 2: THE FINAL WAR

The following account takes place in the future...

THE END IS NEAR

Some 980 years have passed since Jesus set up the 1,000 years kingdom and the world population has exploded. There are more than 100 billion people alive and no one is showing their age. Some of them insisted on breaking the laws of the kingdom and died at the age of 100, but the vast majority live for the entirety of the millennium.

There is no shortage of food and water as farmers plant and harvest four times a year and the ground is never depleted of its nutrients. Millions of people have settled on the continent of Antarctica, which has become one of the most beautiful places in the world.

Each nation is ruled by a resurrected believer and the administration is also staffed by them. Jesus does not allow any humans born during the millennium to hold a government job. The police consist of resurrected believers and they also run the prisons where criminals are being held. This structure has become a source of contention for the regular humans who are not allowed to elect their own rulers.

RECALLING ALL RESURRECTED BELIEVERS

Fifteen more years pass and Jesus summons the resurrected believers to Israel and informs them that the time is at hand when He will let Lucifer loose for a season to tempt the people. In order for it to be fair, no resurrected believers can be in charge, and the regular people are given the autonomy to create their own civil governments.

The resurrected believers have known all along that Lucifer would be set loose and tempt the people of the earth one last time. There are many who love Jesus but they are not born again because Lucifer is bound in the bottomless pit and there is no temptation. They will have to make a decision once Satan is loosed at the end of the millennium. The Holy Spirit can anoint them, but not be in them, because of the dead spirits. **Revelation 20:7**

LUCIFER IS SET LOOSE

At one minute past midnight on the last day of the thousand years, Jesus gives the command for holy angels to free Lucifer from the bottomless pit. He flies out like a rocket and at the same time his fallen angels are also loosed from their holding pens in the air. An untold number of evil spirits are let out from their cages and Satan barks out orders to set up his world government system again.

The Devil orders his minions to seize the global television network and suddenly the programming is changed. Fallen angels appearing like angels of light begin to produce new programming. Lucifer appears on television as a shining angel and tells the people of the world that he has come to set them free from the bondage they have been under

for a thousand years. He says it is not fair for them to be ruled by resurrected believers and unable to elect their own leaders.

Satan continues by saying that all things have been changed, a new day has arrived, and life can now begin in ways never imagined. **verse 8; 1 Corinthians 11:13-15**

CALL TO ARMS

Lucifer sends out all the evil spirits once again to entice people to sin, granting the Kingdom of Satan the legal right to take control of their souls and bodies.

Fallen angels take on some type of human form and tell the newly elected human leaders that it is time to prepare for war and capture Jesus who still resides in Jerusalem.

All the factories throughout the world are put on a war footing and humanity is taught how to make weapons of war. Factories work around the clock and billions of young men are drafted and trained to wage war. Military bases sprout up on every continent and fallen angels instruct mankind in the ways of war. **Ezekiel 38:1-7**

For all his success, there are thousands who reject Lucifer and call on Jesus to save them. Persecution begins again as the Devil in his wrath urges his people to attack the new believers in Christ.

In less than three years a mighty war machine is built and Lucifer gives the order to start moving the troops toward Israel. **Ezekiel 38:8-17**

By this time every human being on the earth had made a decision to stay with Jesus or side with Lucifer. Satan starts a ruthless campaign to kill all Christians and many of them pay with their lives for their faith in Jesus while others are able to hide.

THE BATTLE

Jesus directs His forces from the palace in Jerusalem. As Satan's forces surround Israel and prepare for an assault on Jerusalem, Jesus orders Michael the archangel to sweep in from outer space and destroy the new space fleet Lucifer has built. The Devil's pilots are no match for the holy angels and Satan's military forces lose their air cover.

Gunships begin to rain fire and brimstone on the soldiers, and in a short time, the last opposing soldier is incinerated. **Ezekiel 38:18-23; 39:1-8; Revelation 20:9**

SATAN IS CAPTURED WITH HIS ANGELS

Jesus orders Michael to capture Satan, his fallen angels and all the evil spirits. Satan is put on a spaceship and flown to the Lake of Fire outside the universe where he is deposited into the Lake of Fire for eternal punishment. **Revelation 20:10**

JUDGEMENT OF ANGELS

The angels that joined Lucifer's rebellion are now judged by the resurrected believers in Christ. A special camp is set up outside Jerusalem and the fallen angels are judged according to their evil deeds and the degree of punishment in the Lake of Fire. Once the judging is over, they are put aboard spaceships and taken to the Lake of Fire as well.

1 Corinthians 6:1-3; Matthew 25:41

Every entity (demons, evil spirits, unclean spirits) in the Kingdom of Satan is scooped up by God's holy angels and flown to the Lake of Fire.

Remember, it's not so important how you begin your life after salvation, but how you finish it!
