### PART 27: EMPTYING THE TRASH

#### **UNDERSTANDING THE GODHEAD**

Jesus told the prophet Isaiah some 700 years before the incarnation that mankind's way of thinking is not the same as God's. **Isaiah 55:8-9**

Contrary to what people think, God loves His creation, but when an angel or man sins, that love turns to anger, rejection and revenge. **Exodus 20:1-5**

When Lucifer and his angels rebelled against God, there was no pathway to repentance and forgiveness. God sent armed forces under command of Michael the archangel to capture Lucifer and all the other rebellious angels. **Revelation 12:7-9**

They were afterwards sentenced to eternal torment in the Lake of Fire. **Matthew 25:41; Revelation 20:10**

When fallen angels started having sexual intercourse with human women, they created a hybrid race for which there was no redemption. Some 1,676 years after the creation of Adam and Eve, the world's population had increased to around 600 million people and God's description of these people is not flattering. **Genesis 6:4-5**

The Godhead made the decision that only eight people would be saved; the rest were drowned and sent straight to hell. **verses 6-13**

The Canaanites were direct descendants of Noah, but when they decided to rebel and sin grossly, God gave them 400 years to repent. **Genesis 15:13-16**

During the time of Abraham, Jesus came to the earth to determine if the people in Sodom and Gomorra were worth saving. Homosexuality had taken root in these two cities and the Godhead determined the only remedy was total eradication and a ticket to hell for each man, woman and child in these two cities. **Genesis 19:23-28**

**The angels which sinned became unredeemable and were considered trash by the Godhead which needed to be removed and put in an eternal fire.**

When humans sin and refuse to seek God's forgiveness, they are given a reprobate mind, removed from the earth, and sent to hell as trash. An eternity in the Lake of Fire is a bleak future!

#### **THE NEW TESTAMENT**

The reason for killing off virtually the entire human race at Noah's flood was the abomination committed by the people. Idolatry and sexual perversion, including homosexuality, caused the Godhead to reject everyone except for Noah's family and send them to hell.

The apostle Paul described how the wrath of God the Father is still released upon people who practice idolatry, sexual perversion and the rejection of his Son, Jesus Christ. Christians should not be focused on being morally correct rather than politically correct. **Romans 1:18-28**

Humanity can be forgiven of any sin through the atonement of Jesus on the cross. Nationality doesn't matter as every person has a body, soul, and a dead spirit. When confronted with our sins by the Holy Spirit, we can repent and be born again. Confessing Jesus as your Lord and Savior takes that dead spirit and makes it alive – just like Adam prior to the fall of mankind – granting you eternal life in heaven.

You must repent of your sins and be born again before your physical body dies. Anyone who passes away without Jesus as their Savior will have their name stricken from the Book of Life and can expect a second death in the Lake of Fire after they are tried at the Great White Throne Judgment. There is no mercy or grace at this time. Anyone cast into the Lake of Fire is considered trash by God. **Revelation 20:11-15**

***Remember, it's not so important how you begin your life after salvation, but how you finish it!***

***Do you have an ear to hear with?***
